Please send all materials on the first day of school as teachers will be collecting and organizing them for the year.

Please label all items with your name.

Some items may need to be replenished during the year.

STUDENT COUNCIL FEE

Each Harvey High student is expected to pay a Student Council Fee of \$25 (maximum \$50 per family). The money raised through this fee is used to support student programs and services. These include: disposable masks, water bottles, student locks, plastic cutlery, first aid supplies, Kleenex, the lunch and snack program, snacks for immunizations and assessments, activities, microwaves, the Awards Program, and a limited number of school supply items (graph paper, calculators, dictionaries, coloured pencils, markers, scissors, glue sticks, construction paper, loose leaf, math sets, erasers, and highlighters). If funds allow, an article of clothing may be purchased at year's end. The Student Fee must be paid during the first week of school unless other arrangements are made.

We are looking forward to seeing your children and hope you enjoy the remaining days of summer vacation 😊.
