ATTENDANCE POLICY

The Education Act of the Department of Education refers to regular school attendance as both a duty of the pupil and an expectation on the part of parents to cause attendance to take place.

Nature of Absences

The Education Act states that a child is not required to attend school if the child:

- Is unable to attend school by reason of the child's sickness or other unavoidable cause, such as a crisis or family emergency
- Is officially excluded from attendance under the Act or the regulations (e.g. suspension)
- Is absent on a day regarded as a holy day by the religious denomination of the child or the parent of the child, or in circumstances considered exceptional by the Minister, is exempted from attendance in writing by the Minister (e.g. home schooling)

Tracking of Attendance and Interventions

- Parent/Guardian must call the school prior to 8:30 a.m. to inform of their child's absence.
- If a phone call is not possible, then a written excuse must be presented to the homeroom teacher signed by a parent/guardian citing the date and reason for the absence.
- Absence from classes for authorized school-sponsored activities is excused at the discretion of the school administration.
- When a pupil is absent from school without an acceptable reason or under questionable circumstances, the teacher will bring the matter to the attention of the home and then to the administration if the matter is not resolved.
- Students who miss class time must complete missed work. Students will be required to attend noon hour detention, after-school study hall and in-school suspension in order to complete work in a timely fashion acceptable by the teachers and administration.
- **Students who jig classes will be required to make up double the time missed.**
- Students with chronic absenteeism without appropriate medical documentation, after working with the school to remediate such absenteeism, may be subject to out of school suspensions up to and including the forfeit of the duration of a school semester at the discretion of the school's administration and Education Support Services Team. EXTRA/CO-CURRICULAR ACTIVITIES

1. Hartland Community School participates in both academic and a variety of extra-curricular activities, and sends students on educational trips. Students who are involved in such activities are ambassadors for their school. The reputation of the school is influenced by the behaviour of its students; therefore students are expected to be on their best behaviour while representing their school. Students must also be a student in good standing. See page 5 under athletic participation for the definition of a student in good standing. **In order to be eligible to participate in extra-curricular events, students must be in attendance at school the entire day of the event and the following day, unless special circumstances exist.** Medical appointments must be verified with a note from the doctor. If a student is absent from school due to sickness, he/she will not be able to participate in any extra-curricular activities that day.
2. When school is closed or closes early due to inclement weather or other emergencies, all activities on that day will be cancelled.
3. Middle school students are expected to meet academic expectations in order to participate in activities. High school students who are failing two or more subjects will not be allowed to participate. Upon documentation of improvement in the failing subjects students may be reinstated. If a student has failed the previous year they may be allowed to participate on a probationary basis.
4. a) Students who are in possession of/or under the influence of alcohol and/or narcotics **in any capacity or quantity**, while on any school-sponsored trip or activity, will be suspended from school based on district policy. Further, students may not be permitted to be involved in any school or extra-curricular activity for up to the equivalent of one semester, to be reviewed by Administration and a school discipline committee if deemed necessary.
b) Students who travel with a school team are to return home with the team. A parent/guardian may provide permission in writing or by phone for another adult to be responsible for his/her child's transportation. Students are not permitted to drive their own vehicles to extra-curricular activities away from Hartland Community School. The enforcement of this policy is the responsibility of the coach/advisor.

EXTRA CURRICULAR PARTICIPATION

Student participation is encouraged at HCS to develop a whole person who is well rounded; however, it is a privilege to represent the school. It is a requirement of all students to be in **good standing**. The definition of a student in good standing applies to three categories of student behavior: academic performance (above 60 % in classes), attendance (not missing more than 10 days of supported, documented excused absences), and general positive attitude and behavior that complies with a positive learning environment at school. Students who have not demonstrated commitment to being in good standing, at the discretion of school personnel, will be assigned a probationary period or may be removed from the activity until they meet the requirements of the contract/policy and student in good standing clause. This may carry over from one academic year to another based on the above criterion.

In the event that a student is unable to be present to write a test or examination, they must bring a written medical excuse to the subject teacher on the day they return. All textbooks are the property of the school district. Students must keep these books in good condition. If, at the end of the year, a student has damaged or lost textbooks, that student is responsible for the repair or replacement cost.

VALEDICTORIAN & SALUTATORIAN

The criteria for eligibility for the positions of valedictorian and salutatorian will be determined by the grad class, class advisors, and the administrators. The top five students will be chosen based on the average of their seven required courses plus their top ten elective courses. These students will then be voted on by the grad class. The student with the most votes will be the valedictorian and the student with the second most votes will be salutatorian.

VISITORS

As a safety procedure for students and staff, visitors are expected to report to the office. **During instructional time (8:00 am – 3:00 pm) all visitors must sign in and out at the main office.** If an emergency exists, the student(s) will be called to the office immediately. Otherwise, students will be called to the office at the end of the period so as not to disrupt instructional time.

FAIR NOTICE

The safety of our children is a top priority for us all. We, as a school district, have been involved in intensive safety training with our community partners - the Police, Public Safety and Family and Community Services. Together we have developed a plan for responding to all situations in which students may be posing a threat to themselves or others.

We want to inform you that we, as a school district, have a policy that requires principals to complete a "threat assessment" in all cases of students making significant threats to harm themselves or others. The purpose of the assessment is to determine how best to support high risks students so that their behavior does not become hurtful or destructive. If your child comes home to tell you that a student has behaved in a threatening way at school, please be assured that your principal will be taking measures to deal with the situation in a positive and proactive manner. If your principal invites you to a meeting to discuss safety concerns about your own child, please be assured that policy is being followed and that the goal is safety, not punishment.

This is intended to serve you with fair notice that we, as a school community, will not accept "no response" to a serious threat. Our goal is to respond to all threats in a professional manner that provides for a healthy and caring learning environment. We are proud to be able to provide this level of support to our school communities and are most fortunate to have our community partners at our side. Please see the district website for a copy of Fair Notice Letter from our Acting Superintendent.
