

**Hubbard Happenings
Wishing for Spring!**

April 2015

Health Concern to Note:
We have had a couple of confirmed cases of CHICKENPOX (varicella) at Hubbard and others have been reported in the district at large. Please be mindful of this and monitor your child. An information letter will be sent to you via e-mail from your child's teacher (and a hard copy for parents not using e-mail); this will provide information about the symptoms and treatment of Chickenpox. Please report cases to us!

Dates and Information to Note:

Thank you to Rinehart Orthodontics, this year's sponsor for our Heritage Fair. Their kind contribution has put a smile on our faces in more than one way!!! Remember that your child is expected to be involved in a project either with their class, as a group or as an individual to represent an aspect of our Canadian and New Brunswick Heritage. The fair is on April 22nd and details will be sent home with a reminder of the date and time to view the projects. Students should be working on these now. Guidelines were sent home over a week ago and we look forward to the creations! Thanks Mrs. Dunn and team who work to make this a success!

Thanks to Mrs. O'Leary, our music teacher, who has registered many groups for this year's Music Festival. If your child is in the festival, a notice will be sent home to ensure that they can travel on the busses and have permission to go. Check the notices to find out what the students are supposed to wear for the festival performances. If you would like to see your child perform at the festival, the cost is minimal and you must be there earlier than the performance time as the organizers will not let you in if you are late!

Parent/Teacher Interviews are coming up on Friday morning for this, our second progress report. Please make an appointment if you are interested or if your child's teacher has said that she would like to meet you. Report cards went home yesterday. Thanks!

Grade 3 News! The grade 3 English students are going to UNB this month (see calendar) as they have been selected to visit with Canadian Astronaut, Chris Hadfield. What an opportunity, thanks Mrs. Flynn for organizing this.

In PHYS ED News, Mrs. Bourque has been busy with both floor hockey and basketball. Our basketball teams are hosting a tournament on April 17th in the afternoon and we have 18 fabulous floor hockey teams running at noon and recesses. Go Hurricanes! Thanks Mrs. Bourque!

The Drama Club is set to go and will have afterschool practices on Tuesdays afterschool until 4:30. We are planning a fine arts night in May for your entertainment. Thanks to the directors, Mrs. Gardiner, Mme Beyea & Mme Baker for giving your time!

May 1 <u>No school for Students</u> <u>Subject Council Day</u>	

 Please be reminded that your child still requires TWO pairs of shoes for school, one for indoor wear and one for outdoor. Our playground is a mix of sand, mud, snow and puddles right now so it is important that outdoor shoes are versatile! We will be insisting that shoes be changed. There are a number of students coming to school without indoor footwear and it is creating a great deal of sand and dirt inside. Students working in groups, and on floors in the classes are getting very dusty. Indoor sneakers must be worn in the gym for safety purposes as well. Thanks in advance for helping us put our best foot forward!!!!
