

Notes and Reminders!

A sincere thanks to our parents and parent group who took the time to send in treats for our staff at Hubbard during Staff Appreciation Week. Our new artwork is terrific!

Heritage Fair is coming! Notices were sent home outlining this year's event and project suggestions for Heritage Fair taking place on April 18th. Projects need to be in by April 13th. Some classes have chosen to do this as a class, some in groups and some as individual home projects. Potentially, eight students from Grade 5 will be chosen to attend the District Heritage Fair representing our school. Winners will then have a chance to go on to the Provincial or National level. EVERY child at our school is to take part in the development of a project with a class mark grade being assigned to the project. Please support your child in their work. If you have any questions about the project expectations, please contact your child's teacher. Our opening ceremony on April 18th has musical selections, guest speakers and of course, project judges at each grade level. This is a wonderful way to both learn about and to model quality project creation, and an even better way to celebrate what defines us as Canadians!

From the Phys Ed Department Our grade 3-5 Floor Hockey Tournaments comprised of 18 teams will be finishing up their season. Let's see who wins the Hubbard Stanley Cup! Next, it's basketball season and we are hyped to go. ALL students have an opportunity to take part in basketball intramurals at Hubbard, with a smaller group of students to represent our school at a couple of tournaments in the district. GO HURRICANES!

Rock Your Socks Off Day at Hubbard is March 21st. Simply wear a pair of mis-matched socks as an inclusion awareness day for Down Syndrome. We are hoping to secure a guest speaker.

March is Nutrition Month and we will be holding grade level educational assemblies and serving up some healthy snacks this month. We are looking for pictures of your child and family involved in healthy living to post as our High Fives to Fitness celebrations board. Make sure your name is on them to be returned.

By popular demand is our Hubbard Skate and Lap-A-Thon. The whole school will travel by bus to the Grant Harvey Center for a morning skate and lap tracking on March 29th. We appreciate your help in sponsoring your child. Benefits of this fundraiser, besides great exercise include supporting our year end events and the purchase of educational class resources. Prizes for top fundraising students will be given. See the form that is coming home!

A Month of Performances-all at no cost to you!

The Little Mermaid is being performed by Leo Hayes High School and we have spots for every student at Hubbard to go on March 22nd to the Playhouse. Thanks to our parent group and your support we will be able to pay for the cost of the tickets and busses for EVERYONE! Permission forms must be signed to attend.

The Calithumpians will visit Hubbard for a theatrical performance.

Art Richard presents his kid friendly rock and roll show this month, offering a bilingual performance! It was a hit last time.
