

Notes and Reminders!

THANK YOU! THANK YOU! For your kindnesses shown during Staff Appreciation Week last month. Your treats and kind notes meant a great deal. Together we are better!

Staff News! Welcome back Mrs. Bourque who has been on leave for the month of February and Thank you Ms. Chappelle for all your hard work last month! We also welcome Ms. Collins to Hubbard in Mrs. Moore's grade 4 room.

Our **Hubbard Skate and Lap-A-Thon Event** is happening on March 25th. The whole school will travel by bus to the Grant Harvey Center for a morning skate and lap tracking. We appreciate your help in sponsoring your child. Benefits of this fundraiser, besides great exercise, includes supporting our year end events, program support and Hubbard's auditorium upgrade. The top 7 fundraisers will have a ride in a long stretch Limo, along with a pizza luncheon! See the blue form sent home!

Heritage Fair is Coming! Notices being sent home shortly that will outline this year's project suggestions for Heritage Fair. Projects will be due by April 6th so if you want to get a start on your ideas go ahead! Our school will showcase projects on April 8th. Grade 3 projects are done as a class, and others may work in groups or as individual home projects. Classroom teachers will communicate this to you. Potentially, eight students from Grade 5 will be chosen to attend the District Heritage Fair representing our school. Winners will then have a chance to go on to the Provincial or National level. EVERY child at our school is to take part in the development of a project with a class mark being assigned to the project. Please support your child in their work. If you have any questions about the project expectations, please contact your child's teacher. Our opening ceremony on April 8th has musical selections, guest speakers and of course, project judges at each grade level. This is a wonderful way to both learn about and to model quality project creations!

HELP HELP! Once again our school and PSSC ask for your help in helping to keep our students be safe at Hubbard. The student drop of area is a busy spot in and around the parking lot. Our PSSC is working on easing the flow of traffic, but in the meantime as drivers you need to follow the arrows out there, and watch for students. Here is what will help:

- ⇒ There are TWO LANES at the parking lot drop off.
 - ⇒ **DROP OFF IS ON THE INSIDE LANE**, students get out and walk along the building, keep moving along the lane and please don't park or idle there.
 - ⇒ **DO NOT DROP YOUR CHILD OFF IN THE OUTSIDE LANE.** If you need to stop your car, go park and walk with your child. Your child should never be expected to cross over the path of a vehicle. There have been close calls.
 - ⇒ **SLOW DOWN** for safety sake.
 - ⇒ Please do not use the staff parking area off of Mackenzie Ave. to drop off students. It is not deemed a drop off site.
 - ⇒ Students being dropped off and walking should not arrive before 8:00 at which time outdoor supervision starts.
 - ⇒ Mind the bus loading area. Keep it clear for buses only.
- We understand that there have been several reminders about this, yet it continues to be a concern.

Plastic Bags We only have one more month to collect plastic shopping bags for the national wide competition. Please keep sending the bags in.
