

October 2017

Sun	Mon	Tue	Wed	Thu	Fri	Sat
<p>NEWS FROM THE GYM: Our Cross Country season so far is a huge success with a team of 100 plus runners! Following our school-based event our top runners will be invited to the district Cross Country Meet that is taking place in Oromocto on Oct.13th in the afternoon. Mrs. Bourque will send notices home, please sign these and return them to school asap if your child is representing Hubbard. We look forward to having you come out to cheer us on. Don't forget everyone that you need to have a pair of indoor and outdoor shoes for school, one pair is for gym! Soccer season is about to start at Hubbard!</p>					29	30

Notes, News and Reminders....

Thank You! For your contributions so far to the Terry Fox Walk. Our students had a terrific walk/run last week. With your support Hubbard has raised over \$200 to donate to the foundation. Last year we donated \$900.00. We are still collecting donations with a chance to win a school T-shirt and new water bottle.

Safe School's Week 2017 Every year schools across the province engage students in safety protocols for fire drills and secure the building exercises. We rehearse and learn about bus and school evacuations, and although these events can heighten concern, it compares little to the concern of not knowing what to do in the event of a real situation. Our team of teachers and support staff work hard to make students comfortable with practice so we will know how to respond if needed.

Thanks again to **Omista Credit Union** for their kind sponsorship of our breakfast program! A special shout out to Lorraine and Dawn, Omista employees who volunteer weekly! If you can assist in a morning a week please let us know. Help is needed on Tues, Thurs, and Fridays still.

E-Mail and Communication Our attempt is to have communication not requiring a signature to go home by **E-Distribution**. Check your email to make sure that you are getting information from your child's teacher. If you do not have an electronic device or computer to receive notices and information, or if you prefer a hard copy, let your child's teacher know, and they will be sent home. Any information that does not require signature will be sent home electronically. Let's save on paper and the environment. 

Fall Sales Campaign 2017 from QSP has been sent home. Please support our school in any small or big way! Monies from this campaign will be used to help fund programs and materials to support your child's learning environment. This includes the purchase of class and school materials and equipment, costs associated with some enrichment clusters and special events, and for our auditorium improvement project. We attempt to subsidize costs to you whenever possible through the funds raised. Raise \$7000.00 & Mrs. Loker-French moves her office to the roof!!!

Halloween Fun Night is October 26th, at 6:00. Notices will be sent home in the near future to arrange for your support in making this a terrific FUNdraiser for our school and to describe the event for those of you who are new. Thanks to Karen Carvell for her kind gift of time in setting up the popular Haunted House. The parent group is busy working to make this a great success. Help is needed so please come to the Parent Group Meeting to get involved! Thank you Shelley Mason and Stephanie Therrien for your leadership with this committee.
