Notes, News and Reminders...

Orange Shirt Day is being recognized on Monday, September 30 at Hubbard. We will welcome guest speaker, Amanda Reid to our assembly. Orange Shirt Day is officially held every year in Canada to remember residential school students from First Nations communities. At Hubbard we showed our support for our First Nation classmates and students whose families were affected. We want to ensure that we are helping to pass learning on to the next generations-because indeed, EVERY CHILD MATTERS!

Thank You! For your contributions so far to the **Terry Fox Walk**. We walked on Friday to show our support for this worthwhile cause. Donations are accepted until next week, it feels good to help out!

Safe School's Week 2019, October 21-25th Every year schools across the province engage students in safety protocols for fire drills and secure the building exercises. We rehearse and learn about bus and school evacuations, and although these events can heighten concern, it compares little to the concern of not knowing what to do in the event of a real situation. Our team of teachers and support staff work hard to make students comfortable with practice so we will know how to respond if needed. National Fire Prevention Week begins October 6th. This will be the week we focus on Fire Safety and drills with the support of the Oromocto Fire Department.

Hubbard Breakfast Program and Food Security We are fortunate to have the support of **Omista Credit Union** with our Lovin' Spoonful breakfast program. A special shout out to Lorraine, Omista employee who volunteers every Monday! **If you can assist us please let us know. We are in need of volunteers for Tuesday, Thursday and Friday mornings still.** Recently the Oromocto Fire Department has provided us with a \$50.00 donation to our breakfast program. In addition, the Oromocto Food bank has partnered with schools to provide a backpack program, supporting food needs in our school community. Extra food items, including morning eggs are provided to Hubbard by the Food Bank. If you have some time to help them out, they would appreciate it too.  Let's help each other!

Career Fair 2019 Our Career Fair is taking place on October 17th and we are seeking volunteers to spend the afternoon with us to share your career/job/profession with students. It is a great opportunity to expose students to a number of future options. Please contact Mme Muise at 357 4199 or at brandi.muise@nbed.nb.ca

Fall Sales Campaign 2019 will be sent home on October 3rd. Please support our school in any small or big way! Monies from our Recipes in a Jar and Magazine campaign will be used to help fund programs and materials to support your child's learning environment. This includes the purchase of class and school technology, or material and equipment costs associated with improvement projects, enrichment clusters and special events at our school. We attempt to subsidize costs to you whenever possible through the funds raised. There are a host of prizes and flyers coming home. Sell \$7000.00 in product & Mrs. Loker-French moves her office to the roof!!

Halloween Fun Night! is October 24th, at 6:00. Notices will be sent home in the near future to arrange for your support in making this a terrific **FUNDRAISER** for our school and to describe the event for those of you who are new. Thanks to Karen Carvell for her time in setting up the popular Haunted House. The parent group is busy working to make this a great success. Help is needed so please come to the Parent Group Meeting on October 1st to get involved! Thank you Shelley Mason and Stephanie Weaver and your committee for your initiative toward this popular event.
