

November 2020

November is a very busy month for student and teacher learning at Hubbard! Please see the important dates on the calendar.

Report Cards and Keeping You Informed! Report cards are being sent home on December 1st this year, and teachers are busy trying to assess and determine skills and next steps for students. Our interviews will be held virtually or by phone this year due to COVID 19 restrictions. Please look for a notice coming home with your child regarding appointment times nearer to the end of the month. Please also be sure to bring any concerns you have to our attention. We are working hard to identify and close gaps that have occurred over the past months. Our school focus has been on Social-Emotional Learning and getting readjusted to school life. Our school improvement plan targets school readiness, adjusting to routines, developing work stamina and review of basic facts. Your help at home is appreciated.

Remembrance Day: Our Remembrance Day Assembly, like others, will be virtual this year. We are preparing now for a school video assembly that will be viewed on November 10th. On November 10th we ask students to wear red and encourage uniform wearing for any civic group to which they belong (Cubs, Scouts, Guides, Brownies, Cadets). The Legion has visited our school for a special recording, so students will still experience the Colour Party March-In, an address from the Legion President on the 75th Anniversary of the end of WWII and a moment of silence. We hope to post our virtual assembly to our school youtube channel. Thank you to our military family members making sacrifices for our freedoms.

News from the Gym: Soccer Intramurals are happening in the gym this month and they will take place in classroom bubble groups. Cross country is also happening this month and we congratulate our runners for being active. Students need to listen to the morning announcements for intramural and other details for the day. Our Phys. Ed teacher is Ms. Smykalski and although new to Hubbard, she has been doing a great job leading the Hurricanes. Mme Muise and Ms. Knowell have joined the PE Dept. on Thursdays too! Please remember to have your child prepared with both indoor and outdoor footwear for gym. We are going outside as much as possible and warm clothes are needed!

BRRRR... Its getting cold outside and students require warm clothes, outdoor gear and mittens in preparation for our cold Canadian Winters!

Mask Wearing It is imperative that your child remembers their masks daily. A number of students are coming to school forgetting them. Please make sure that they are prepared for the day and keeping safety of themselves and others in mind.

Reminder: NO SCHOOL for students on:
 Oct. 30 (Professional Learning Date)
 Nov. 11 (Statutory Holiday for Remembrance Day)
 Nov. 20 (Professional Learning for teachers)

STAY
SAFE
EVERYONE!

Hubbard Happenings

Sun	Mon	Tue	Wed	Thu	Fri	Sat
