

HAPPY NEW YEAR

Mark your Calendars!

THANK YOU for your support of our Christmas concert where we welcomed over 700 guests to our school and saw several winners of raffle baskets. Thanks to the parent group for their support of your children. We also gave \$ 425.27 to the Oromocto Food Bank to support the community and donated over 1700 items of food. The Food Bank posted that our school brought in the largest donation from a school EVER! No wonder the Hurricanes Rock! Thank you for demonstrating the spirit of the season.

JANUARY 27TH IS NATIONAL ABC LITERACY DAY. In celebration we will hold our Annual Read-In, expressing our commitment to literacy and learning. If you are interested in being a guest reader on the morning of January 25th please contact us as soon as possible. We would love to have you be a part of our reading family. Several community leaders join us for this event. Look for information on a family reading challenge while classes take part in literacy activities at school too.

ENRICHMENT CLUSTERS begin in February again. If you have a talent or interest to share with a small group of students, consider leading a cluster on Fridays. Call us if you could help out! Thank you Kim Saulis for your volunteer time at every cluster!

SAFETY CONCERN We ask again that you pay attention to the safe flow of traffic at school. Some students are being dropped off at the front door bus zone. Please remember that the bus zone is to be kept clear and parents and drivers are not permitted to be beyond this point. In this weather or at any time, it creates an opportunity for accidents to occur. Likewise at the end of the building, please watch out for students as they are dropped off in the morning or exiting the school. Please SLOW DOWN and use the double lanes at the end of the ramp for delivering children. We want to help keep your child safe from injury and create a flow of traffic that supports safety. Please remember the drop off time for students is at 8:00 am. The doors are not opened until then.

BRRR! IT'S COLD OUT THERE! Please send your child to school with proper clothing for the Canadian winter! Many children are coming to school without the proper gear for outdoor play which will happen daily. Students are expected to go outside to play, unless the temperature drops below -20. Be prepared and thanks!

Welcome! Amanda Thomas joins our teaching staff this term and Tanja Mallery joins our Office Administration staff with Jena. Parents/Guardians of our grade 5 students please note there will be information coming home this month regarding Grade 6 French Immersion Entry.

Hubbard Happenings January 2019

Sun	Mon	Tue	Wed	Thu	Fri	Sat
<p>Get Active at Hubbard! Our PE program is finishing up Badminton and soon we will begin Basketball Fever at Hubbard! Go Hurricanes! Our SKATING program is in full swing at King's Arrow Arena. The ice time is kindly provided by the town and the bussing is made possible by our school. We are happy to accept donations of HELMETS & SKATES that are in good shape and age/size appropriate to help increase participation in the program. We make every attempt to see students involved! Also, be aware that students not skating may for supervisory purposes, need to go to the rink with the classes in order to be supervised as they cannot be left at school. On skating days, make sure your child is dressed warmly whether they are skating or not! Please keep an eye on the notices coming home and have your child prepared to skate, calling home for equipment is time consuming and we cannot guarantee time to do so. Be healthy and stay active! More health information can be found on our website by going to Hubbard Avenue. The schedule will be posted.</p>
