

Hubbard Avenue Elementary School SKATE-A-THON & LAP-A-THON Wednesday, March 25th, 2020

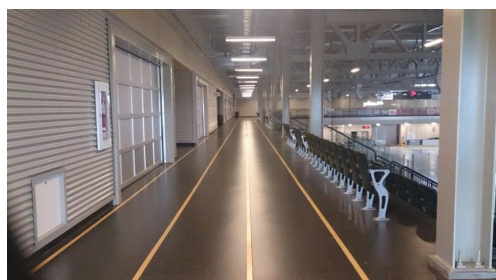

Dear parents/Guardians

Hubbard's annual **SKATE-A-THON/ LAP-A-THON** is scheduled for Wednesday, March 25th as a popular part of our skating program. **Not to worry, if you can't skate that day, you have the option to do laps around the track at the Grant Harvey Centre. The whole school is planning on going so please have your permission forms in right away.**

In conjunction with our Parent Group, our SKATE-A-THON / LAP-A-THON will help support our continued auditorium upgrade, school programs and year end celebrations in June. Parents are invited to our event at the centre. Students will be bussed to and from the Centre between 9:30 and 11:30am. Students will be provided with a water and fruit/snack as a part of our Wellness Grant that makes this event possible.

We ask that each child find sponsors and list them on the form on the other side of this notice. Sponsors can pledge an amount for the entire event, for example a \$5.00 flat rate, or for each lap that the student completes around the rink/track during the event. For example, if a pledge for each lap is made for \$1.00 and the student completes 10 laps, a pledge of \$10.00 is honored.

Please return your sponsor sheets and have money in by Monday, March 30th after the event. Remember that we do not encourage students to go door to door canvassing without adult supervision for this or any other event. Students are asked to have family and friends sponsor them for safety reasons.

So, get your skates sharpened up and your laces ready to be tied for the Skate and Lap -A-Thons and join us for some fun and exercise!!
