

ILLUMINATE!

Shedding light on Science, Technology Engineering, and Math

Hosted by Science East and John Caldwell School

Awarded BEST PROGRAM IN CANADA
by the Canadian Association of Science Centres (CASC).

Get an inside look at how science, technology, engineering and math are used by professionals in your community. Step into their shoes and try out tools and equipment used in their jobs.

December 11th from 6:00 to 7:30
John Caldwell School Gym
