Mr. Brett Black, Administrator

# Keswick Valley Memorial School

Good Afternoon Families of KVMS,

There are a few items that I would like to bring to your attention that will be useful information for you and your family this coming school year.

First, just a reminder of the COVID-19 student/family checklist that was sent home through school messenger Tuesday. This checklist is for parents and guardians to use each day prior to sending their child(ren) off to school. I will attach it again for your convenience.

The second item is a very informative poster on how to wear a mask (from the Public Health Agency of Canada) is found at the link below. Please take the time to review this yourself but also with your child.

<https://www.canada.ca/content/dam/hc-sc/documents/services/publications/diseases-and-conditions/covid-19-safely-use-non-medical-mask-face-covering/covid-19-safely-use-non-medical-mask-face-covering-en.pdf>

In addition, the third item that I wanted to bring to your attention is the COVID-19 Information Site from the Department of Education and Early Childhood Development. This site includes the “Return to School” documents that are fluid and changing as new information becomes available. It provides many updates and can be found through the following link:

<https://www2.gnb.ca/content/gnb/en/corporate/promo/education-and-early-childhood-development-covid-19.html>

Furthermore, attached is a family question and answer that could be useful for your family or may provide some clarification for your family moving forward. These were questions that many families had throughout the District. The information provided is from the Return to School Documents provided by the Department of Education.

Lastly, some parents requested the link to the transportation video sent home to parents last week. The link is below. It is a good video to show students and families what transportation will look like for the 2020-2021 school year. This is also a reminder that there is only one pick up and one drop off spot this year for your child in terms of transportation. Please see the memo I sent home through school messenger or check on the school website for further information regarding this.
