

Parent School Support Committee (PSSC) Meeting – September 22, 2016 (6:00-7:00)

Attendees:

Gavin Phillips (Chair)

Calvin Anderson (Principal)

Karen Boyle

Annette McAllister

Angela Meisner

Sarah Somerville

-Welcome and introductions by Calvin Anderson.

-The role and function of PSSC was discussed. The committee decided how the meetings will commence for the year. Gavin will remain as chair for the present year 2016-2017. The committee is very happy to have Karen Boyle join the PSSC this year as well.

-Calvin mentioned that he will be working with the teachers on the school implementation plan in the next couple of weeks. This document will then be presented to the PSSC at the next meeting. He will also be sharing information on the school budget and the curriculum at this time as well.

-The future of hot lunch was briefly discussed. Calvin mentioned that there might be an opportunity to have **two** hot lunch days versus the **one** MAS has had in the past. This would mean that the students would be asked to pass in their money and order form potentially either bi-weekly or monthly. Calvin will be checking on pricing etc. and will follow up with the details a bit later on.

-The committee briefly discussed where we left off last year with the parent forum. A document was created and circulated to the parents and PSSC members that included all the feedback and suggestions from the night of the forum (thanks Annette). It was decided that we would re circulate the document to the PSSC members and include it as a topic of discussion for the next meeting.

-Next PSSC meeting will be held November 17, 2016 @ 6:00.

Meeting adjured.
