Dear Oliver,

Congratulations! You've earned a place at "Canada's most-recommended university" and it is our privilege to offer you acceptance into the Bachelor of Arts: Divisional Social Sciences Major program at Bishop's University.

As a Bishop's student, you are joining a community bursting with ambition; a community that is willing to take on the challenges our world faces. Bishop's is a place that has been offering extraordinary opportunities and transformational experiences for the last 175 years. We are proud to provide a learning environment that truly engages our students – both inside and outside the classroom. And we are particularly privileged to have YOU join our close-knit family of over 2,600 members.

Your professors and your peers will invite you to participate here, so bring your interests, your questions, and your passions – but leave plenty of room for discovery as we encourage and challenge you to engage with the world around you.

Welcome to Bishop's University. Welcome to a place where you will **#BleedPurple** and experience a sense of community that is unparalleled. Welcome to a place that has offered a high-quality education for each of the last 175 years. A place where tradition meets innovation. Where you will **#MakeYourPurpleMark**. Welcome home.

You and your family should be very proud of your accomplishments thus far and should be excited to see what lies ahead of you – we know we are! We look forward to seeing you here in September, Oliver.
