

Minto Elementary Middle School Spectator Operational Plan

To be considered for entry to an indoor event at MEMS, the following rules must be met:

1. Proof of full vaccination and ID must be shown to a designated individual provided by the school. Any unable to show proof will not be allowed to enter the event area.
2. Contact tracing information must be provided to be granted access to the event area. This will be in the form of name and phone number.
3. Hands must be sanitized upon entry to the event area.
4. Spectators must always wear a mask while in the school.
5. Spectators must socially distance (6 feet) from anyone in the event area that is not a family member. Family members can sit within the designated distance.
6. One spectator per player is permitted.
7. Spectators are asked to leave the event area immediately upon completion of the event. Those waiting for an event participant can do so outside the event area while properly distancing from other spectators.
8. MEMS reserves the right to ask a spectator to leave the facility if the above safety rules are not followed.
