Dear Parents/Guardians of Students at Kingsclear Consolidated School,

As stated in my January 27, 2017 letter to you, the Anglophone West School District Education Council (ASD-W DEC) voted in favour of engaging a sustainability study of Kingsclear Consolidated School, under the process of Provincial Policy 409: Multi-year Infrastructure Planning. The sustainability study of a school follows a process that includes three public meetings.

Parents and members of the community are invited to attend the second public meeting in the consultation process on the sustainability of Kingsclear Consolidated School.

Date: Tuesday, April 4, 2017
Time: 6:30 PM
Location: Kingsclear Consolidated School
3188 Woodstock Road
Fredericton, NB

At this meeting, parents and stakeholders will present ideas on the sustainability of the school. An agenda for the meeting will be available on Monday, April 3, and be posted to the Sustainability Study website. Alternatively, staff from Kingsclear Consolidated School can make the agenda available to you.

Stakeholders are still invited to register a presentation for the meeting. Please complete the registration form that can be found on our website www.asd-w.nbed.nb.ca, following the sustainability study links for Kingsclear Consolidated School. This form is also available at the school.

Other opportunities to provide feedback are also available, with details on our website following the sustainability study links for Kingsclear Consolidated School. Relevant documentation is also posted to this site.

We hope you will join us on April 4.

Sincerely,

David McTimoney

Superintendent

Anglophone West School District
