Dear Parent(s)/Guardian(s) of Students at Kingsclear Consolidated School,

As stated in my January 27, 2017 letter to you, the Anglophone West School District Education Council (ASD-W DEC) voted in favor of engaging a sustainability study of Kingsclear Consolidated School, under the process of Provincial Policy 409: Multi-year Infrastructure Planning. The sustainability study of a school follows a process that includes three public meetings.

Parents and members of the community are invited to attend the first public meeting in the consultation process on this sustainability study.

Date: Thursday, March 2, 2017
Time: 6:30 PM
Location: Kingsclear Consolidated School
3188 Woodstock Road
Fredericton, NB

At this meeting, district staff will describe the process and outline facts about Kingsclear Consolidated School, as guided by Policy 409. A second public meeting will be held on Tuesday, April 4, 2017, where parents and stakeholders may present ideas on the sustainability of the school. Other opportunities to provide feedback are also available, with details on our website at www.asd-w.nbed.nb.ca, following the sustainability study links. Relevant documentation is also posted to this site.

We hope you will join us.

Sincerely,

David McTimoney
Superintendent
Anglophone West School District
