March 16, 2015

Dear Parents/Guardians of Students at Coles Island School,

As stated in my October 29th, 2014 letter to you, the Anglophone West School District Education Council (ASD-W DEC) voted in favour of engaging a sustainability study of Coles Island School, under the process of Provincial Policy 409: Multi-year Infrastructure Planning. The sustainability study of a school follows a process that includes three public meetings.

Parents and members of the community are invited to attend the third public meeting in the consultation process on the sustainability of Coles Island School. This meeting is a regularly scheduled District Education Council (DEC) Meeting and will be held at **Nashwaaskis Middle School in Fredericton. It will also be streamed, electronically and simultaneously, to Coles Island School.**

Date:	Thursday, March 19, 2015		
Time:	6:30 PM		
Location:	Nashwaaksis Middle School	<i>or</i>	Coles Island School
	324 Fulton Avenue		11390 Route 10
	Fredericton, NB		Coles Island, NB

At this meeting, the DEC will conduct the regular monthly affairs, which will include a discussion and a subsequent vote on the sustainability of Coles Island School. A final report of the study is being prepared and will include the items that have been posted to the sustainability website and more. Directors and other district staff will attend the meeting at Coles Island and I will be at the live DEC meeting in Fredericton.

We hope you will join us. I will write to you in the days that follow the meeting to share the conclusion.

Sincerely,

David McTimoney
Superintendent
Anglophone West School District
