October 11, 2018

Dear Parents/Guardians of Students at Liverpool Street Elementary School:

As stated in my September 17, 2018 letter to you, the Anglophone West School District Education Council (ASD-W DEC) voted in favor of engaging a sustainability study of Liverpool Street Elementary School, under the process of Provincial Policy 409: Multi-year Infrastructure Planning. The sustainability study of a school follows a process that includes three public meetings.

Liverpool Street Elementary School is not a “triggered” school for study but was identified on ASD-W Major Capital Projects lists as priority #4 for the consideration of a new school combined with Forest Hill Elementary School. Therefore, the DEC has decided to start the sustainability study at this time.

Parents and members of the community are invited to attend the first public meeting in the consultation process on the sustainability of Liverpool Street Elementary School:

**Date:** Tuesday, October 16, 2018  
**Time:** 6:30 PM  
**Location:** Liverpool Street Elementary School  
50 Liverpool Street  
Fredericton, NB, E3B 4V4

At this meeting, district staff will describe the process and outline facts about Liverpool Street Elementary School, as guided by Policy 409. A second public meeting will be held on **Thursday, November 29, 2018**, where parents and stakeholders may present ideas on the sustainability of the schools. Other opportunities to provide feedback are also available, with details on our website at [www.asd-w.nbed.nb.ca](http://www.asd-w.nbed.nb.ca), following the sustainability study links. Relevant documentation is also posted to this site throughout the study.

We hope you will join us.

Sincerely,

Catherine Blaney  
Acting Superintendent  
Anglophone West School District
