December 17, 2015

Dear Parents/Guardians of McAdam Elementary School,

As stated in my May 27th and September 9th, 2015, letters to you, the Anglophone West School District Education Council (ASD-W DEC) voted in favor of engaging a sustainability study of McAdam Elementary School, under the process of Provincial Policy 409: Multi-Year Infrastructure Planning. The sustainability study of a school follows a process that includes three public meetings.

Unfortunately, the second public meeting that was scheduled for Thursday, December 3, 2015, was cancelled due to poor weather. We have now rescheduled this meeting.

Parents and members of the community are invited to attend the second public meeting in the consultation process on the sustainability of McAdam Elementary School:

Date: Tuesday, January 5, 2016
Time: 6:30 PM
Location: McAdam Elementary School
29 Rose Street
McAdam, NB

At this meeting, parents and stakeholders will present ideas on the sustainability of the school. An agenda for the meeting will be posted to the Sustainability Study website in advance of the meeting and be available as a hard copy that night.

Should this meeting need to be cancelled for any reason, it would be rescheduled for Tuesday, January 12, 2016.

Other opportunities to provide feedback are also available, with details on our website at www.asd-w.nbed.nb.ca, following the sustainability study links. Relevant documentation is also posted to this site.

We hope you will be able to attend.

Best wishes for a Merry Christmas and a wonderful holiday season.

Sincerely,

David McTimoney
Superintendent
Anglophone West School District
