Dear Parents/Guardians of Millville Elementary School,

As stated in my May 27th and September 9th, 2015, letters to you, the Anglophone West School District Education Council (ASD-W DEC) voted in favor of engaging a sustainability study of Millville Elementary School, under the process of Provincial Policy 409: Multi-year Infrastructure Planning. The sustainability study of a school follows a process that includes three public meetings.

Parents and members of the community are invited to attend the second public meeting in the consultation process on the sustainability of Millville Elementary School:

Date: Tuesday, December 1, 2015
Time: 6:30 PM
Location: Millville Elementary School
3958 Highway 104
Millville, NB

At this meeting, parents and stakeholders will present ideas on the sustainability of the school. An agenda for the meeting will be posted to the Sustainability Study website in advance of the meeting and be available as a hardcopy that night.

Other opportunities to provide feedback are also available, with details on our website at www.asd-w.nbed.nb.ca, following the sustainability study links. Relevant documentation is also posted to this site.

We hope you will be able to attend.

Sincerely,

David McTimoney
Superintendent
Anglophone West School District
