Travel

Children, students, school personnel and personnel of childcare facilities are often required to travel outside New Brunswick for essential reasons. The following table was developed to help parents understand the different rules regarding traveling and their impact on the education and early childhood services system.

Outside New Brunswick but within Canada			
	Children who live outside New Brunswick	Formal shared custody	Medical exemption from Chief Medical Officer of Health **
Early learning and childcare facilities	<p>Children and personnel who live outside New Brunswick may attend a childcare facility in New Brunswick.</p> <p>Weekly testing* in New Brunswick is made available to these individuals. The test is voluntary.</p>	<p>Children who travel outside New Brunswick to respect a formal shared-custody may attend a childcare facility.</p> <p>The child over the age of 2 and the NB parent are subject to weekly mandatory testing* under the Mandatory Order.</p> <p>The child must wear a mask at a daycare facility if over the age of 5.</p>	<p>Children and personnel who travel outside New Brunswick under a medical exemption may attend a childcare facility.</p> <p>The individual is subject to day 7 testing and day 10-12 mandatory testing* under the Mandatory Order.</p> <p>The individual may attend the childcare facility upon return to New Brunswick.</p> <p>The individual must wear a mask at a daycare facility if over the age of 5.</p>
Grades K-8	<p>Students and personnel who live outside New Brunswick may attend school in New Brunswick.</p> <p>Weekly testing* in New Brunswick is made available to these individuals. The test is voluntary.</p>	<p>Students who travel outside New Brunswick to respect a formal shared-custody may attend school.</p> <p>The student and the NB parent are subject to weekly mandatory testing* under the Mandatory Order.</p> <p>The student must wear a mask following the orange level guidelines</p>	<p>Students and personnel who travel outside New Brunswick under an exemption (such as medical appointment) may attend school.</p> <p>The individual is subject to day 7 testing and day 10-12 mandatory testing* under the Mandatory Order.</p> <p>The individual may attend school upon return to New Brunswick.</p> <p>The individual must wear a mask following the orange level guidelines</p>

Travel outside the province

January 14th, 2021

Outside New Brunswick but within Canada			
	Children who live outside New Brunswick	Formal shared custody	Medical exemption from Chief Medical Officer of Health **
Grades 9-12	Students who live outside New Brunswick will learn on-line	Students who travel outside New Brunswick to respect a formal shared-custody may attend school. The student and the NB parent are subject to weekly mandatory testing* under the Mandatory Order. The student must wear a mask following the orange level guidelines.	Students and personnel who travel outside New Brunswick under an exemption (such as medical appointment) may attend school. The individual is subject to day 7 testing and day 10-12 mandatory testing* under the Mandatory Order. The individual may attend school upon return to New Brunswick. The individual must wear a mask following the orange level guidelines

* Childcare facilities and schools will NOT request the results of COVID-19 tests or if a test has been done.

** Weekly testing is available for individuals commuting on a regular basis for a medical exemption.

Campobello Island

Residents of Campobello Island are allowed to attend/work a childcare facility or school. They must follow the rules set out in the Mandatory Order. Students from Campobello Island are not permitted to attend extra-curricular activities in New Brunswick. Residents of NB who are not residents of Campobello Island are not permitted to attend extra-curricular activities in Campobello.

International travel

At this time, children/students who live in the United States or who travel are not permitted to enter a childcare facility or a school for a period of 14 days after arrival in New Brunswick.

Travel outside the province

January 14th, 2021

Non-essential travel

All individual who travels outside the province other than for work, medical care, child care/custody or for compassionate reasons approved by the Chief Medical Office of Health will be required to self-isolate for 14 days and will not be able to attend a childcare facility or a school. Schools will not provide education during this time.
