

**How to add ore edit images to the PICTURE GALLERY**

1) Website Administration → Add or remove a picture to the PICTURE GALLERY:

2) Click on the "+ Add new item"

3) If you're just going to upload a single file, click on "Browse" and select the file. But if you are going to Upload Multiple Files, clickon Upload multiple files:

4) Browse for files instead

5) Select the multiple pictures and click on OPEN

6) If you would like to organize your pictures you can click on "Open With Explorer" and make folders, cut & paste, etc...

7) To delete multiple pictures, place checkmarks on the pictures and click on DELETE
