

Richard Blaquiere Human Rights Award

The award recipient should display aptitudes such as courage, compassion, empathy, determination, openness and inclusion. Above all else, the recipient should demonstrate commitment to the fundamental principle that all persons are equal in dignity and human rights.

A student may be recognized based on their work in curricular or extra-curricular activity and based on efforts in school or community. The type of work to be considered should be broad and inclusive, i.e. class projects, school leadership, community activism, public advocacy, membership in rights organizations, fund-raising, raising awareness, social media activity, written work, etc.

In granting the award, consideration may be given to activities undertaken by the recipient in any year during their tenure at WHS.

The winner will receive a monetary award of \$200 dollars.

Please complete a one page summary stating what you have done during your high school career that meets the description of this award. Include some specific examples of some of the things you have done.
