

I am 24 Months Old...

So I can...

- ✓ Use 150-200 different words
- ✓ Use 2 words when I speak (e.g., "Mommy shoe", "Go car")
- ✓ Follow 2 related directions (e.g., Get your cup and give it to Dad)
- ✓ Use words like **mine**, **you**, and **my**
- ✓ Play with toys
- ✓ Pretend to be like you (e.g., sweep the floor, talk on the phone...)
- ✓ Talk so you can understand at least half of what I say
- ✓ Point to most of my body parts
- ✓ Pretend to read a book and hold it the proper way
- ✓ Show you toys that I like and ask you to play with me
- ✓ Use more words than gestures

Things we can do together...

- ✓ Pretend play with dolls (e.g., feeding them, putting to bed, changing diaper)
- ✓ Play hiding games, where we hide things under, in, beside, behind, things in our house
- ✓ Sing songs and let me fill in the words I know (e.g., *The itsy bitsy _____ went up the _____ spout*)
- ✓ Let me choose what part of my body you will wash in the tub
- ✓ Read my favorite books over and over
