

I am 30 Months Old...

So I can...

- ✓ Use at least 450 different words
- ✓ Use 3 or more words when talking (e.g., "Daddy go car")
- ✓ Show you things that are **big** and **little**
- ✓ Use action words, like running, jumping, falling with the "ing" at the end of the word
- ✓ Answer simple question (e.g., "Do you have a dog?" "What is the bird doing?")
- ✓ Talk without getting frustrated because you do not understand me
- ✓ Use the word "I" when talking (i.e. "I want a cookie")
- ✓ Comfort you when you are hurt or sad

Things we can do together...

- ✓ Sort things around the house, like laundry, cutlery and toys
- ✓ Read favorite stories and you can leave out words so I can fill them in (e.g., *The itsy bitsy* _____)
- ✓ I can help you around the house and you can tell me all about what we are doing (e.g., when you are sweeping the floor talk about where you are sweeping - around the chairs, under the cupboards)
- ✓ Start talking about parts of objects and how they work (e.g., the door on the car, steering wheel, brakes, signal lights etc...)
- ✓ Help learn sounds by saying things back to me with correct sounds when I say them (e.g., "I want a tookie", "Oh, you want a cookie")
