**Have you seen  
a fox today?**

By: Faith Nordstrom &  
Katelynn Pickel-MacDonald  
Island View School  
Gr.5

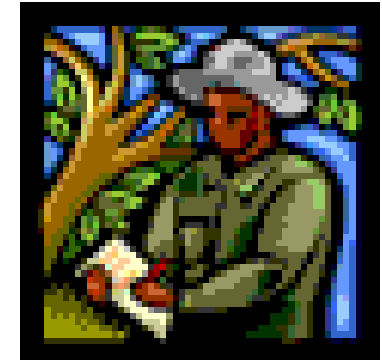

Have you seen a fox today? If so, did you wonder if it was hungry?

## Facts about foxes at the Irving Nature Park

- Foxes have grown in population
- Foxes have been more aggressive to people
- After awhile when the Irving Nature Park closed for the winter foxes had to hunt but they did not know how.

Ranger Sam says

Ranger Sam says that when you feed the foxes you may think that you are helping them but you are hurting them.
