- b. French Immersion Update: Spilt class a result of increased enrolment

There is no deadline for the FI enrollment. Classes/teacher can be changed until the end of September. Budget restraints. Issue went to the Minister. Parent concern will be communicated to the DEC

Split class: each parent of the students that were going in to the split class received a phone call.

- c. Positive Learning Environment Plan: First Six Weeks of School

We reviewed the zones

7. Request for Dedication of Gymnasium

Request for Gym to be named after the late Rob MacMurray, as well as a scholarship to be given to a High School student that went to IVS. Can we make a decision for the Community? Is there a precedence? Do we have a plaque, or something else? It's certainly not a quick decision. PSSC would like to have more conversation around it to discuss the details. May need to request more information. Maybe we look at having a plaque of all the late IVS teachers. Discussed creating a policy for this type of request.

8. Set Meeting Dates

Look to have our next meeting in November. We'll aim for the last week of the month.
