Technology		Music and Art	
<p>First off in Technology this week... remember “no stress, no pressure” but the lesson below will definitely teach you something if you take the time and at least follow through them. See attachment for all links!</p> <p><i>There is an optional Scratch Coding Competition sponsored through Brilliant Labs. The deadline is May 31st to submit. All the information is on the Brilliant Labs website. https://www.brilliantlabs.ca/scratch</i></p> <ul style="list-style-type: none"> • Photography Lesson of the week “Photography 101”: The cameras used in this demonstration are the exact cameras we have at school. • Engineering this week, we’ll watch a video on the making of spaghetti Bridges that need to support a bag of sugar & you’ll give it a try! • Cooking this week, we’ll watch Chef Ramsey produce a 10 minute stir fry... Similar to what we used to do at lunch in the technology lab back in the good old days 😊 • Music, Technology and Art takes us to the 2010-2019 decade. The song I’m picking goes with the engineering theme of the week “The Scientist” by Coldplay. 		<p>Hey everyone! Check out your Music, Art, and Tech work for the week. Have fun with it! Hard to believe everything that happened in the 2010s.</p> <p>Check out these links to help you learn more. https://www.youtube.com/watch?v=42T-AQWjCUM https://www.udiscovermusic.com/stories/2010s-music-history/</p> 	
Guidance		Physical Education	
<p>Counsellor Susan Guttridge, a young counsellor from BC working from home, has created some videos aimed at young people that help you focus your thoughts & bring calm to your day. The top three I’d start with are Affirmations, Persistence, and Adapting to Change – how appropriate! As always, reach out if you need to chat! Smile! Sandra.harrington@nbed.nb.ca</p>		<p>This week we begin planning our own personal fitness plan. Please review the 5 health-related components of fitness and begin planning for cardiovascular endurance. Review the FITT chart and my own personal example to help you. Please fill in your exercise log and continue training for the virtual 5km Rave Run for those of you that want to challenge yourself. Stay tuned, stay healthy and Raider Strong! See attachments.</p>
