Science		Social Studies	
<p>Let’s all try to get outside this week and enjoy the sunny weather and the first signs of Spring.</p> <p>· Be sure to follow social distancing rules:)</p> <p>Activity 1- Nature walk- Signs of Spring            Activity 2- Grow your own Pine Cone at home.</p> <p><a href="#">See Science attachment</a></p>		<p>Finish work on Financial Empowerment project (Monthly budget &amp; research form).</p> <p>For the next few weeks, we will be working on a research project on a <a href="#">Trip Around the Atlantic Provinces</a>. See handout for description and have FUN with it! You chip away and do a little each day for a week or two, or hammer it all out in a few days – this is fun project that you could use in the summer!</p>	
Art & Technology		Music	
<p>Your art assignment will be entered into your Teams classes and be about the 70s! If you don’t get to finish it all, no stress – we do what we can!</p>		<p>Assignment will be posted in your class about the 70s in Music and Art. Have fun with it!</p> <p>If you would like to practice piano, check out this website:  <a href="https://www.funbrain.com/games/the-piano-player">https://www.funbrain.com/games/the-piano-player</a></p>	
Guidance		Physical Education	
<p>This week please take a few moments to check-in with your emotions and really take note of how you are feeling! Please make your way through <a href="#">the Isolation Survival Guide</a> attached, and have some fun! Tryout some new recipes you may find, teach yourself some different skills around the house and visit some of the suggested websites to ensure we’re staying mentally fit as well as physically fit. As always, please don’t hesitate to reach out to me if you just feel the need to chat with someone who cares! Keep Smiling!            Sandra.harrington@nbed.nb.ca</p>		<p>Please review the <a href="#">Raider Strong Active Lifestyle Program</a>.</p> <p>Exercise at least 30 min a day and record all activity in your tracking sheet. Track all your activity and get as many minutes, steps and stars as you possibly can. If you cannot record steps, just use time. If you don’t have a heart rate function on your device, we will have a lesson on measuring heart rate later in this program.</p> <p>Continue to think about a regular fitness plan that you can do every day. I will be sending more information and details in the weeks to come. Follow me on twitter <a href="#">@RVrathletics</a> for messages and videos. Stay tuned, stay healthy and Raider Strong!</p>	
A note from your teaching team...			
<p>We hope everyone enjoyed the weekend and we look forward to meeting with you this week. If you get stuck on any of the Learning Suggestions, please reach out to your teachers. Have a great week and see you at our Virtual Meeting!</p>
