

HEAD LICE CHECKLIST CALENDAR

Nit Picking Tips ❖ It is very important to pick nits BY HAND ❖ Nits are easier to see if you use a bright light such as a flashlight ❖ Soak combs, brushes, hair ties in hot water for 10 minutes ❖ Pillow, towels, and other items that touch the child's head should be washed in hot water ❖ Tell your child not to touch heads with others ❖ Coat child's head with conditioner for daily head checks, this makes checking easier!	Day 1 ❑ Chose between conditioner or pediculocide treatment and begin treatment today ❑ Check child's whole head and remove nits by hand ❑ Check all other family member's heads and treat if lice or nits are found ❑ Inform the child's school, daycare and other close contacts	Day 2 ❑ Check child's whole head and remove nits by hand ❑ Use conditioner with head checks 	Day 3 ❑ Check child's whole head and remove nits by hand	Day 4 ❑ Check child's whole head and remove nits by hand 	Day 5 ❑ Check child's whole head and remove nits by hand	Day 6 ❑ Check child's whole head and remove nits by hand 	Day 7 ❑ If treating with pediculocide and nits are still present then re-treat today ❑ Check child's whole head and remove nits by hand
	Day 8 ❑ Check child's whole head and remove nits by hand	Day 9 ❑ Check child's whole head and remove nits by hand	Day 10 ❑ Check child's whole head and remove nits by hand	Day 11 ❑ Check child's whole head and remove nits by hand	Day 12 ❑ Check child's whole head and remove nits by hand	Day 13 ❑ Check child's whole head and remove nits by hand	Day 14 ❑ Check child's whole head and remove nits by hand
