

Saint Rose School

January 2023 Newsletter

700 Manawagonish Road, Saint John, NB E2M 4C3

Principal: Victoria Moseley

Vice-Principal: Shari Carey

Christmas Donation "Thank You!"

We would like to thank community partners who supported our school and families during the Christmas season. Company and family contributions were kindly donated by; Mathew Joyce of JTR Services, Port Saint John, local fire fighters, and Church of the Good Shepherd.

Thanks to QM Construction for our new milk fridge!

Hygiene and Wellness

With the intentional focus of students engaging in more physical activity, we have noted a need for students to be aware of personal hygiene implication in grade 3, grade 4, and grade 5. Sending children to school with wipes and/or deodorant for after Physical Education class is encouraged. There are social implications for poor hygiene to which we do not want to expose students.

Please ensure your children have hats, mitten/gloves and boots as they return to school. With wet clothing also comes musty smelling snow pants, hats, and mittens. Freshening the items in a dryer periodically to thoroughly dry them will help to reduce musty odors.

Room for Rent?

We are checking to see if there is a room in our area that a young adult from France could rent as part of the French proficiency program. These young adults work in schools to assist students in French. The first responsibility is accommodations. If we are able to find accommodations, we would apply to host one of these individuals. Please contact Victoria Moseley at 658-5364 if you know of someone in the SRS catchment area whose family would be a good candidate.

Dates To Remember:

January 11th – Home & School meeting

January 17th – SRS mentees visiting Harbour View High School mentors

January 18th – PSSC virtual meeting at 6:30 PM

January 27th – Family Literacy Day – prize draw for those who have submitted pictures of their SRS children reading a book
