Please send an updated copy of your child's immunization record to the school office. Many students did not have the 4-year booster at the time of school registration. Students are required to show proof of immunizations for school entry. If you have questions, please contact your local public health office (Saint John- 658-2285 or toll free 1-800-545-8008).

## Community "Thank you!"

Saint John Home Hardware provided our K-2 students with a sunflower donation. These sunflowers were donated in support of the Ukraine. Timing was perfect to coincide with Post-Earth Week celebrations. Thanks for you community support!
