

HWSF Grade 3 Home Learning Activities – Week 1 (April 13th -17th)

	Monday	Tuesday	Wednesday	Thursday	Friday
Language Arts	Write about your favorite thing at school.	Play a literacy game on ABCya! OR practice reading any books you have at home.	Write about a super power you wish you had and why.	How many words can you create using the letters in the word “SPRINGTIME”?	Write a letter to your teacher. Have your parent take a picture and email it to us. We’d love to reply 😊
Math	Count forward and backward to 500 by 3’s.	Draw shapes and cut each shape in halves and in fourths.	I am more than 4 tens. I am less than 44. I have 3 ones. What number am I?	Make a tally graph of the different color cars you can see on your street.	Play a math game on ABCya! OR teach your sibling/parent one of our math card games.
Science	Pick out a few objects from around your home. See which ones float in water.	List 5 living things you can see and 5 non-living things you can see.	Using objects from your home create a free standing tower.	Make a prediction about the weather tomorrow.	Using your 5 senses describe something you ate.
Movement & Mindset	Go outside for a walk with your family.	Make up a new dance OR check out Zumba Kids on YouTube.	See who can balance on one foot the longest while tossing and catching an object.	Do 20 jumping jacks, 10 sit-ups and 5 pushups.	Create an obstacle course using objects around home.

Grade 3 Team

Please feel free to share any of the work your child has done with us. Simply take a picture of them doing the activity or of the completed work and email it to us 😊
