## HWSF School Husky Update

Happy Spring! We are really hoping that the cold and snow are behind us and we can all enjoy a beautiful Easter weekend with friends and family.

Middle school sports update. Our coed volleyball team is doing very well so far this season. Elementary phys ed is working on the skill of badminton in preparation for their upcoming jamboree.

As we start to think about nicer weather we start to look at summer schedules. If we can be of any support at the school with summer programs, camps, activities please don't hesitate to reach out at anytime.

## Parent Tip of the Month

Be your child's #1 fan

Ask your child to read aloud what he or she has written for school. Be an enthusiastic listener.

Do storytelling on the go

Take turns adding to a story the two of you make up while riding in a car or bus. Try making the story funny or spooky.

## Odds and Ends

**If your child has an electronic device you could help us in monitoring the usage at bedtime/while they are supposed to**
