It is important to send your child on time to school. If they are absent from school it is very helpful if you could call us or send a note for our attendance.

Colder weather is setting in so we would like to remind students to wear winter coats boots, mitts, and hats.

#### **PICK UP AND DROP OFF**

When the snow arrives, we are asking parents to please not park in front of the school, as it difficult for the buses to safely drop off students.

***“High school registration will take place in February. To prepare for that, we have been asked by district office to make sure home addresses are up to date. Letters will be sent out to over 700 students to confirm high school placement therefore they need to begin preparing their database as soon as possible. If you have had an address change that you have not made us aware of, please let us know as soon as possible.”***
