HWSF School Husky Update

Happy Spring! As many families are aware by now both Ms. Blissett and Mrs. Carhart are expecting babies this summer. As a result their jobs have been posted and as soon as there is a replacement found we will let you know. Ms. Blissett will be off for the year and Mrs. Carhart plans to return in January.

We are moving into the time of year where we focus on preparation for provincial and ed center assessments. We would appreciate your support in making sure that your son/daughter is present as often as possible.

Community Schools/Community News

Welcome to Kindergarten is May 22nd for any students starting Kindergarten in September. Ms. Kinney's class stays home that day so that the new students have the opportunity to attend for one day.

All parents of grade 8 students are asked to attend a transition to High School event May 12th at 10:30am at HWSF School. UNBSJ is putting on the event and Coffee/muffins are being provided.

Parent Tip of the Month

Encourage your child to read. Helping your child become a reader is the single most important thing that you can do to help the child to succeed in school-and in life. The importance of reading simply can't be overstated. Reading helps children in all school subjects. More important, it is the key to lifelong learning.

Odds and Ends

In an effort to accommodate for all the time lost due to snow days we've been given a directive to cancel field trips that do not occur on June 17, 18th, or 19th. To that end, we have a great and special Fun Day planned and in the works for our school community for June 18th....stay tuned 😊!
