

Lightning News for January 10th – 14th.

Barnhill does their Best! Better Every Single Time.

The theme for the month of January is “Endurance.”

“Endurance is not just the ability to bare a hard thing, but to turn it into glory”. -William Barclay

Welcome back, we hope you had a restful and pleasant holiday. As was announced on the December 31st Covid update, the province has moved to online learning beginning on January 11th until January 21st. This will be reassessed on January 17th, to determine whether online learning will continue. Our Barnhill teachers will continue to provide teaching lessons through Microsoft Teams. The school schedule will be the same as if your child was in the building, however the class times will be condensed. Please see the schedule attached to this email. The schedule will also be on your child’s Microsoft Team pages. We encourage families to stay connected and informed by following our website, as well as the district website for important information and updates.
