November 18th, 2022

Dear Parents and Guardians,

New Brunswick Student Wellness Survey Announcement:

On Thursday, *November 24th*, our school will begin participating in the *New Brunswick Student Wellness Survey*. This survey is a collaborative initiative of the Department of Education and Early Childhood Development, Departments of Health, and the New Brunswick Health Council (NBHC).

Students in grades 4-12 will be asked questions about their wellness such as eating, physical activity, sleeping, bullying and substance use. The survey will be conducted online, at school.

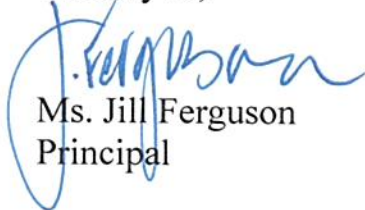

By taking time to complete this survey, students can contribute to their school's improvement plans and student learning and wellness activities. The results of this survey will be available from the school administrator next spring.

If you would like more information on this survey, please call the New Brunswick Health Council at *1-877-225-2521* or visit their website at www.nbhc.ca.

The survey is anonymous and voluntary. No names are associated with the surveys, instead randomly selected codes are provided to students, and the results are grouped together.

Prior to Thursday, November 24th, parents/guardians who do not want their child to participate can call and inform Ms. Jill Ferguson at 658-5971.

Thank you,

Ms. Jill Ferguson
Principal
