Seeding: (Rec Only) As you can imagine, seeding out an 11 team tournament over 1 day is a challenge. Seeding for teams after the round robin will be as follows: **Top 4 overall make playoffs**

1. Teams in Division A & B will draw a random game number that will be kept by Softball NB. The game number drawn, those results will not count in the tournament. The rationale behind this is that Division C only gets 2 rd robin games apiece. Teams in A & B get 3 rd robin games. To ensure equity, one game a piece from A & B will not count allowing SNB to seed all teams based off 2 game results. These games will be kept confidential, until the completion of the round robin.
2. Tie Breakers (if 2 or more teams are tied)
 1. Head to Head results (If Applicable)
 2. +/- of teams that are tied (Max +/- 7 per game)
 3. If still tied, total runs scored (Max 7 per game)
 4. If still tied, least amount of runs against (Max 7 against per game)
