

Good Evening,

It's nice to see the fall sports get underway. There are lots of lunch time activities for your child to participate in. The games room, library, intramurals and choir are all possibilities to occupy a students' time over the noon hour.

Hot Lunch – Our vendors have been finalized and our first hot lunch orders will take part on Thursday, Sept. 25. Thank You to the people who have volunteered to help with the orders. We can always use more. It takes about an hour from 9 – 10am on Thursdays. Please email me if you are interested. I have attached an order form and uploaded one to the school website.

Magazine Sales – Friday, Sept. 26 is the final day for magazine orders. It is going well, but we'd love to see a push for the last week. Magazines make great gifts! On-line orders can always be processed by going to qsp.ca and using the Barnhill Code 3706223. Congratulations to Mme Vautour's homeroom who won the pizza party.

Lunches – We appreciate your co-operation with sending peanut-free and nut-free lunches and snacks to school.

Open House & PSSC Elections – We invite all parents to come to Barnhill on Wednesday, Sept. 24. This is a wonderful time to meet your child's teachers in an informal setting. This is not a time for "parent-teacher interviews" and if you need to speak privately with your child's teacher, please contact him or her to arrange a meeting time. We will also be hosting our PSSC elections at this time.

Terry Fox – Our Advisory groups will be discussing Terry Fox and his legacy on Monday and the entire school will be participating in the Terry Fox Walk on Thursday. Terry Fox's dream was to raise one dollar from every Canadian to fight cancer and all we ask is a donation of one dollar per student. If they would like to raise more, they may. We have many cancer survivors at Barnhill and will use this as opportunity to celebrate that.

Upcoming events:

Sept. 23 – Immunization Day

Sept. 24 – Open House and PSSC elections

Sept. 25 – Terry Fox Walk

Sept. 26 – Picture day by Photography Flewwelling

October 8 - Guys and Dolls at HVHS

Oct. 9 & 10 – Professional Learning Days for teachers

Oct. 13 - Thanksgiving

Have a lovely weekend.
