

2nd Annual

Stock Our Shelves

Transitional Youth Services

Safe Harbour is a transitional housing program for youth ages 16-24 years. We are always in need of donation items and would love for your school to collect items and build a “shelter” of your own to be judged on November 16th, 2015. St. Macs currently holds the trophy for our 1st annual “Stock Our Shelves” contest. Who will house our trophy this year?!
