August 25th, 2020

Good Day,

The purpose of my message today is to provide you with some preliminary details for the opening of schools the week of September 8th- 11th, 2020.

Please note we will be welcoming students back using a staggered entry system. This is the schedule:

Grade 6's only- Tuesday, September 8th.
Grade 7's only- Wednesday, September 9th
Grade 8's only- Thursday, September 10th
All Students Report- Friday, September 11th.

Your child's homeroom teacher will be contacting you by phone the week of August 31st- September 4th as a means of introduction and to field any questions you may have.

Parents can check out busing details for students by accessing *Bus Planner* on the ASDS website. This will let you know when and where pick up and drop off for your child will happen. You will need the students' 10-digit ID number to access this information.

Students who walk or being driven to school will not be permitted in the building until 7:50 am at the earliest. Please note that classes begin at 8:20 am and end at 2:50 pm.

The lists of school supplies for each grade level and language program are found on the Bayside website. We are also asking that students have two clean masks, a plastic baggie, and a water bottle ready to go each day.

It might be a good idea for students to have a bottle of non-aerosol/non-scented sunscreen as well. We will try to provide as many outside learning activities for our students as possible. The weather is still very pleasant in the fall.

You may choose to purchase a bottle of non-scented hand sanitizer. Please be aware that schools have been provided with this as well.

The completed Operational Plan for Bayside Middle School will be available to the public on September 3rd. This document will be found on our school website and will be sent out by email. It will contain much more information about how our school will attempt to combat the spread of Covid-19. Please take the time to review this information when it becomes available.

Please contact the school at 658-5331 if you have any questions or concerns.

Regards,

Thanks

Pat Laskey
Principal
Bayside Middle School
