2020

## PRINCIPAL'S MESSAGE

As I write this message, it is late March of 2020. The world is living in an unprecedented and uncertain time due to COVID-19. We are instructed to display "social distancing" and are hearing terms like "flattening the curve" and "community spread". For the first time in recent memory, schools are not open for students and staff and other learning options are being explored. Events such as this provide occasion to reflect and appreciate all we hold near and dear. It's my hope that you consider your middle school experience as a cherished memory.

When we were together, you were given an excellent educational experience where you were provided opportunities to flourish academically, athletically, artistically, and socially. I've always believed that there is something for everyone at Bayside and we cater to all our students' interests. I want to thank our staff for going above and beyond for our students. I also want to say how much I appreciate those students who continuously display the principles of STOMP. These qualities will go a long way for you in the future. Good luck to our Grade 8s moving on to high school. I look forward to hearing about your accomplishments at this next level of learning. It is my hope that our Grade 6s and 7s return to school in September of 2020 ready to take advantage of the awesome experience that awaits you.

Sincerely,

Mr. P. Laskey

# HOW WAS YOUR FIRST YEAR?

"Good and tiring."

CELEIGH BRUNET, GRADE 6

"It was fun."

KATELYN THORNTON-MACKAY, GRADE 6

# HOW WAS YOUR FIRST YEAR?

### Motivation

"Whenever I start my class or get them to do something, I always say, 'Rock n' Roll, Let's go!'"

MRS. LOGUE

### Reset, refocus, restart

"Sometimes we just need a chance to reset, and restart to get ourselves where we need to be."

Mme. Legere

### Back to Back Wins!

"One of my favourite activities is the Tug of War! This is where we begin to work as a team!"

MRS. WELCH

### 6 Welch- Tug of War Champs

**Wow Broncos!** Bayside was chosen as the school to launch the Canada War Museum's new project.

**Welcome Broncos!** Bayside welcomed Ms. Seales and Mr. Jones for the upcoming school year.

**Congrats!** Mrs. Logue, Mme. Ferrar & Mme. Griffin on getting your B Contract.

### Bayside News

"My favorite sport is basketball."

Kaden Fudge

"My favorite sport is hockey."

Dakota Kinney

"My favorite sport is hockey."

Reeve McDonough

### Outside Challenges

### Team Building

Every September Bayside Middle kicks off the school year with Grade 6 Orientation Day.

Students enjoy a corn boil, outdoor activities and a tug of war competition between the classes. 6 Welch was the winner this year. That's back-to-back wins for Welchie.

The first day of school is very exciting for me! I get to welcome all of the new students to Bayside as they begin a new chapter of their lives. "

**Mrs. Welch**

### Class Versus Class

The Grade 6 Orientation Day has its traditions, like the corn boil for lunch, the scavenger hunt and of course the Tug of War competition. During the afternoon, all the classes get together for a friendly competition. This year the Tug of War competition took place in the gym since the muddy field would have ruined everyone's new shoes.

# GRADE 6 CORN BOIL 2019

Member of the PE Leadership Team were on hand the first day to help out and stay organized.

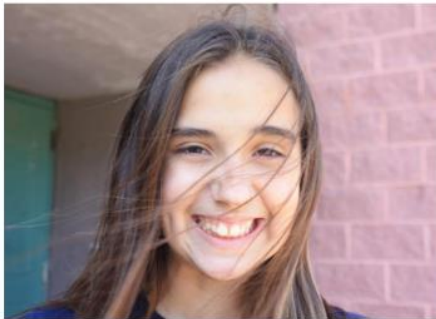

### Grade 7 Helpers

This year Mr. Shephard brought in some students in Grade 7 to help out too. They'll be all ready to run the show next year in Grade 8.

**Faculty Advisors.** Thank you to all our staff for their dedication to school sports.

**Sunny Days.** The beautiful fall weather made for some picture perfect days.

## THANKS YOU COACHES!

Thanks! Mr. Cookley and his wife donate a lot of their time to extracurricular events at Bayside, including Girls Soccer.

Mr. Cookley

Coach Gillis

Thanks! Coach Gillis for putting together a great Varsity Girls Volleyball Team every year.

Mr. MacDonald

Thanks! Mr. MacDonald for organizing, coaching and supporting minor football in our region...

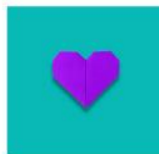

Granville Debby wins first place for Bayside during a cross country meet.

The Girls Soccer Team refuels before their next game.

Mme. Legere giving the Boys' Soccer Team some advice before they head back on the field.

TAYLOR SMITH, GRADE 8

I'm Taylor Smith and I'm in Grade 8 French Immersion. I love playing sports and I've been playing since I was 5. When I came to Middle School, I was super excited to try out for sports! There were so many different kinds of sports and I wanted to try them all. I made all my teams! My advice to future athletes is to always try your best and work hard whether it's in practice or a game. Playing sports at Bayside has been an amazing, fun experience. I've had awesome coaches and made some awesome friends. Go out for sports and you'll improve your skills and you'll have an awesome time! -Don't be scared, you got this!

**Hands on History.** Classrooms across Canada can borrow sets of Second World War artifacts and reproductions in the second instalment of a popular learning tool provided by the Canadian War Museum. The Canadian War Museum launched its "discovery boxes" at Bayside Middle School in Saint John, N.B., on September 19, 2019. Kathryn Lyons, the museum's manager of visitor experience, oversaw the development of the Second World War box. She said the program aims to bring the tactile learning experience of the museum to kids who may not be able to visit.

## TOP FUNDRAISERS 2019

Every year we honor our students who take the extra initiative to fundraise on the behalf of others. This year our top fundraisers were from left to right: Lily Drew, Evie Hargraves, Ty Davidson and Nicholas Holder-Cunningham

**Big Money.** Our Children Wish Makers Committee happily hands over a cheque for \$22,348.63. Way to go Broncos, you just made some deserving families very happy.

**Wishmaker Challenge.** Every year our Principal Mr. Laskey challenges Bayside students to raise an amount of money for the Children's Wish Foundation. This year the goal was \$20,000. Our school raised more than that with a total of \$22,348.63.

**Mme. Rossignol's Grade 6 class:** They might be new to the school but they showed the other classes who the top earners are. Enjoy the pizza party!

TOP CLASS 2019

## WISH WALK

Wish Walk 2019 was a success. The weather wasn't as nice this year, but at least it didn't rain.

## CHILDREN'S WISH

In October, Broncos are Wishmakers! This year, we raised \$22,931.48 for the Children's Wish Foundation. This means we have collected \$401,000 over the past 18 years. The Telegraph Journal even profiled our students and their generosity. Kaitlyn's Walk is always a great way to start the school year, working together like the Super STOMPers we are!

### WHAT YOUR FAVORITE SNACK?

Cheese and crackers. Nachos at night.

MR. WALSH

I recently learned you can buy the Costco cookies in boxes of 120 (frozen). I've been eating a lot of Chocolate chip cookies!

MRS. LOGIE

NACHOS.

MR. LONG

Mme. Griffin's least favorite snack is applesauce. Why? Ask Matthieu.

MRS. GRIFFIN

**Snack time!** Every Bayside classroom gets a snack bin for their students thanks to Mme. Godreau-McCarthy and her class. Thanks for feeding our hungry students. Granola bars, cheese and crackers, and fruit snacks are all great.

## Wish

**BFFs.** Our students love hanging out together. Just look at these three!

**Wish Walk 2019.** It was another great walk around our Bayside community. The neighbors honked their horns to show their support while Ms. A. and Mrs. McClure played us music from their cars.

**Wish Kids:** Every year Children's Wish makes wishes come true. Two of our Broncos are Wish Kids.

**In Loving Memory.** Nicholas Holder-Cunningham holds up the sign for former Bayside student John who has since passed.

**Hold that pose.** Our students are always camera ready. They're also big supporters of World Peace. Go Broncos!

# November

2019

Remember  
By Emma Pettifer & Shagun Wright

As people grow and prosper on  
the land they prosper in time  
The crossed legs among the ground,  
We see them scattered all around

Being wither that we know,  
For little grows our change  
These warblers that are in track,  
Need to look to they, all days

We have a moment of silence  
For those who fought through the darkness  
People in all on ground, it was  
Not easy to come on water and others

We are grateful they fought  
Because it means that they brought  
And that's why we remember  
On the 11th of November

## Operation Santa Claus

We are proud of our military. Especially during the holidays, it is important that our soldiers know they are always in our thoughts. Between November 27th and December 24th, 2019, Canadians can create a FREE, personalized greeting card to thank our deployed troops for their service over the holiday season. These cards will be included in the Op Santa Claus packages that are sent to each and every deployed member.

Mr. Laskey received three emails from CAF members on Christmas Day, thanking Bayside students for the cards they sent to Syria and Iraq as part of Operation Santa Claus. The students were Nicholas VanBeelen (8McCarthy), Mikaela Dempster (7 Godreau-McCarthy) and Shayla Wright (7 Creamer). Well, today Riley Campell (8McCarthy) received a thank you too! But this time it was good ole' snail mail!

As the recipient of your letter, the Contracts Management Cell at the Operational Support Hub—South West Asia in Kuwait appreciates your message to us and the other Canadian Forces members currently deployed at this time. On behalf of all members deployed, we wish you Happy Holidays

Lt(N) Day — CFB Borden	Capt Fleurant — CFB Bagotville
Lt Noel — CFB Greenwood	Lt Thain — CFB Gagetown
Sgt Ryan — 38 Svc Bn Saskatoon	Mr. Squires — SNC Lavalin

### ARTIST IN RESIDENCE

This year Grade 6 students got to enrich their Social Studies class through art.

Students practiced their calligraphy skills by writing their names in cantonese.

Students also produced large scale group work.

Artist Dan Xu worked closely with students and demonstrated her techniques

BMS held their annual Remembrance Day ceremony on Thursday, November 7th. Students read poems, and the school band and choir shared music. Guest speaker Master Corporal Kevin Allen told stories and pictures from his time in Africa, Afghanistan, Haiti and France. The assembly ended with all students and staff laying wreaths on white crosses on the front lawn. It was a time of remembrance and reflection.

As acts of remembrance, to honour our veterans, students will be raising money to purchase a guitar for Guitars for Vets this month. Throughout the year, they also create Christmas cards for Operation Santa Claus, which are sent to Canadian Armed Force members worldwide who are away from their loved ones during the holidays.

Mrs. McClure, Master Corporal Allen and Mr. Laskey

**Planting of the Crosses.** Mrs. Daigle carefully places a wreath for support staff during the ceremony.

**WW II Artifact Box**  
Mrs. Sabin's Social Studies' classes explore Canada's War History using the World War II Discovery Box. The Canada War Museum sends objects and documents that will help students explore the impact of the Second World War on Canada and Canadians.

Master Corporal Allen salutes with the BMS cadets.

Miss Lucy and the choir performed outside.

**Crosses and Wreaths.** Here's a snapshot just before the rain really started pouring.

Ms. A

For those of you who don't know, Remembrance Day is a big deal at Bayside Middle School. Ms. A edited and printed 1440 cards for Operation Santa Claus with 295 more made on card stock! Bayside Broncos are sent 1735 cards to Ottawa for our soldiers deployed at Christmas! No small feat. Thanks for all your hard work organizing this event as well involving students in civil engagement projects at school. Not to mention popping all that popcorn to raise money for Guitars for Vets!

**Guitars for Vets**

VETS Canada's Guitars for Vets program is based on a simple concept: veterans and currently serving members of the Canadian Armed Forces and RCMP who suffer with PTSD or other service-related injuries or disabilities will be provided with a new or gently used guitar.

**Broncos Helping**

Ms. A pledged support for this cause during our Remembrance Day Service and she quickly got to work. She painted and decorated birdhouses for a raffle draw. She also started selling popcorn once a month donating all the proceeds to the program.

**Civil Engagement.** Here is a sample of the cards that were sent overseas this year.

**Reindeer Games.** A few more helpers and performers from this year's Talent Show. Thanks to all of the students who helped out this year. We couldn't do it without you!

**Bayside Swag.** Contact Mme. Godreau-McCarthy for some great stocking stuffers!

**Picture Perfect.** The 8FIs do their best to pose for a picture. This was the best one.

**Talent Show 2019.** Special thanks to Miss Lucy for donating her time to put together a talent show just before the holiday break.

**Broncos** spreading some Christmas cheer leading up to the holidays.

**Bayside's Got Talent.** This year's show was MCed by Ashlyn Godfrey and Hailee Melvin.

**Future Broadway Stars?**

Gabriella Castillo and Justine Otila are two of Bayside's best performers.

**Christmas Market**

The Grade 6s showed their entrepreneurial spirit by holding a Christmas Market. They took over the gym for an afternoon to sell their products to fellow students and other customers. The Grade 6s donated \$200.00 to the Canadian Mental Health Association and \$90.00 to the SPCA.

GRADE 7 FIELD TRIP TO FREDERICTON

**Hair Raising Experience**

Mrs. Sabin was a good sport during their visit to Science East.

**Christmas Party**

The Grade 8s had to say goodbye to Mme. Creamer as she moved down to Grade 7 at the end of December.

**Full House**

Tickets were purchased in advance from the office and it was great to see the cafeteria packed on this day.

**Turkey Dinner**

Boys' Annual Turkey Dinner is a chance for family and friends to get together and share a meal in the school's cafeteria. It's a great way to kick-off the holiday season.

**YMCA FIELDHOUSE**  
The Grade 6s visited the new living Oil fieldhouse for some indoor activities.

**PINK SHIRT DAY**  
This year, Pink Shirt Day, or Anti-Bullying Day, is on February 26. It is a day when people come together by wearing pink shirts to school or work to show they are against bullying. The focus for 2020 is "lift each other up."

**STOMP REWARD.** Close to 500 students gathered in the gym for our third STOMP Reward of the year. They were treated to a "grudge match" between our Provincial Champion Girls Varsity Basketball Team and our Provincial Champion Boys JV Team. Our cheerleaders provided half-time entertainment. Students earned the privilege to attend the STOMP trait of "Ownership."

**Robots.** The English Grade 6 classes took over the cafeteria for an afternoon to display the robots they made in French class. Great work!

**Snow Day.** Mme. Schofield brought her classes outside for some snow shoeing fun.

"Imagination is more important than knowledge." - Albert Einstein

"Dans la vie rien n'est à craindre, tout est à comprendre." -Marie Curie

Science isn't just a body of knowledge — it's a way of acquiring scientific concepts and principles, and the best middle school programs get students interested in investigating the world around them. As children learn facts and vocabulary, they develop the ability to ask scientific questions, plan experiments to answer these questions, and develop reasonable explanations based on their observations. Bayside students are engaged in a variety of science activities — hands-on experiments, class discussions, and independent reading and writing.

## WELCOME BACK BRONCO!!

Mme. Shannon has returned to Bayside after a few years away. We're happy to have her back! She is a creative teacher who is always willing to try new things. The kids love to spend time with her at lunch and joke around with her in the hallway.

## THANK YOU...

**T**hank you to our staff for going the extra mile this year for your students and your colleagues. Our staff work long hours in the classroom as well as outside the classroom. So thank you for being a faculty advisor for a sports team, or creating a club, or supervising a club, or feeding hungry students or for giving students a place to go at lunch time. Thank you to all of our staff for rising to the occasion this year.

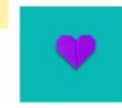

Dream Team, Besties Mr. Walsh and Mr. Cosman pose for a quick pic.

## WELCOME BRONCO!

Miss McLaughlin also joined the Bayside Team in January 2020. She took over for Ms. Heward in Grade 7.

## WELCOME BRONCO!

Mrs. Harley joined our team in January 2020. She replaced Mme. Creamer in room 335. Mrs. Harley was a great addition to the Grade 8 Team. She's always thinking up fun activities to engage her students in learning.

**TWO OF A KIND**  
Mr. Shepard and Mr. Bacon wish they could wear jerseys everyday. Mr. Bacon filled in for M.Manuel for part of the year. Sarah cried when he left.

## WELCOME BACK BRONCO!

M. Manuel returned to Bayside in February 2020. He was greatly missed by students and they were overjoyed when he returned. Sarah cried tears of joy.

## WELCOME BRONCO!

Mr. Jones joined Bayside in September as our new Art Teacher. He might hold the school record for highest number of clubs. Mr. Jones ran the Art Club, Rock Climbing Club, Chess Club and War Hammer Club.

## WELCOME BACK BRONCO!

Ms. Seales returned to Bayside after a few years away. She joined the Grade 6 Team. "Thank you again Mr.Laskey! I am really excited to be back at BMS and I am looking forward to the upcoming year."

**The Rules.** A look into one of our PE classes.

**PE LEADERSHIP TEAM**

Each year a group of Grade 8 students are selected to help organize, set-up and referee our intramural sports in the gym. Here's PE Leadership during their Christmas party enjoying some pizza and ice cream sandwiches.

Thanks to Mr. Cosman and Mr. Laskey for coaching the Varsity Girls Basketball Team and Mr. Wayne Vaughn and Brent Vaughn for working with the Varsity Boys' Basketball Team. Dominique Michaud and Mark Coakley for coaching our JV Girls Basketball Team and Bob MacNeil is looking after our JV boys Basketball Team. Shout out to Mrs. McClure, Mr. Walsh, and Mr. Long for serving as faculty advisors for the Boys' Team. And last but not least, thanks to Mr. Shepard for all of his hard work to keep students at Bayside engaged in sports.

### Colby Train

I started playing sports in grade 6. I was nervous going to tryouts that year but I'm glad I did because it made me the athlete I am today. Trying out for a team in grade six can be very intimidating but it's the best thing you can do. It will give you confidence and also gives you the opportunity to become familiar with Bayside's Athletic program. The competitive edge the teams have are unreal! Being a Bronco was so much fun! It improved all my skills and gave me the confidence to try new sports that I may not have ever had the chance to play. All of these sports I tried I ended up actually really enjoying. The best thing that I took from Bayside Athletics were all the new people I met and the friendships I made throughout my 3 years. My coaches I had for all the various sports I played were amazing and very encouraging. The best advice I can give to future athletes is to take a risk and get involved in everything that you can, be a leader and give it your all. It will make your middle school experience that much more exciting and leave you with some of your best memories ever! BRONCOS ON 3.....

## Tribute to a legend

On Jan. 26, 2020, the world was shocked to hear the news that basketball legend Kobe Bryant, his 13-year-old daughter Gianna, and seven others had died tragically in a helicopter crash in Calabasas, California.

## CHEERLEADING

"It's a great feeling when you join a sports team in grade 6 and be on the team all three years. In my grade 8 year becoming Captain of the Cheer team and making Varsity Volleyball were my most memorable sports moments"

-Karrin Vautour

**Congrats!** To our cheerleaders on their second-place finish at the competition held in February at TD Station. They will be participating in more competitions as the Spring progresses.

THIS IS A PERFECT EXAMPLE OF TEAM EFFORT.

THE CHEER TEAM BEGINS PRACTISING IN THE FALL.

## CONGRATS

### CONGRATULATIONS

To all our Bayside athletes for terrific year in sports. Eventhough the year was cut short, our Broncos managed to be recognized in every competition they attended.

Well done!

# ATHLETES OF THE YEAR 2020

### 2019-2020 SEASON

With the school year cut short and with several sports seasons being eliminated, BMS went with multiple winners for Athlete of the Year.

**AVA SHEPPARD & FRIEND** took a lunch break while running the canteen during the tournament.

**BAYSIDE TEAM:** John MacDonald, Lori Hayes, Mr. Sheppard, Ms. Cosman, Mme. Godreau-McCarthy and Mme. Legere

### ASDS DISTRICT STAFF VOLLEYBALL TOURNAMENT 2020

Mr. Sheppard organized a ASDS Staff volleyball tournament in February. All proceeds went to the Heart and Stroke Foundation. Barnhill Memorial were the winners this year.

### HEADLINE GENUINE SIZE 20 HEADLINE GENUINE SIZE 20

■ **Recycle!** Every year we send the proceeds from our bottle recycling program to schools in Africa. Thanks to Mme. Cochenec, Mme. Landry and their recycling team for all of their efforts in this venture.

■ ■ ■ **Thanks!** I would like to thank Ms. Creamer for joining and helping with the Choir this year. What a great group of kids with some amazing voices. We were able to explore music with 3 part harmony this year! Although we had to miss the Festival and the end of the year I look forward to getting going again in the fall.

-Miss Lucy

■ **Big Money.** The Choir raised \$200 for the Empty Stocking Fund in November.

■ **Hat Day.** The choir collected money for the Empty Stocking Fund by holding a hat day and guessing the candies in the jar game.

■ **Performance.** Both bands and the choir were able to perform at the Talent Show.

KIKI EATON, GRADE 7

G.S.A. (Gay Straight Alliance) is important in our school because it helps staff and students understand, learn and accept the LGBTQ community. It also helps students feel comfortable with themselves whether it be their sexuality, or gender. GSA teaches young teens why there are people who change gender identity or are with the same gender. Over time it could cause a less homophobic community. Therefore, GSA is important to our middle school.

GSA  
2020

"I love GSA,  
it's great!"

**RAINBOW DAY**

It was the first annual Rainbow Day of Bayside Middle School. The school was filled with rainbows, decorations, a photo booth and lots of flair.

*Jestens*  
**RENAISSANCE**  
EDUCATION

The Renaissance Club was formed in November and focused on student leadership and recognition. This student group, consisting of roughly 20 participants, was responsible for the creation of the 100% Club and for Positive Office Referrals. Both of these initiatives encourage members of the Bayside Community to formally recognize student achievement, growth and positive behaviour.

-Mrs. McClure

**YEAR IN BOOK**

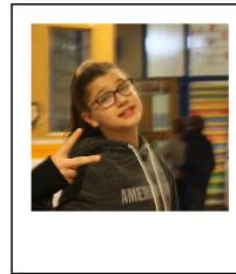

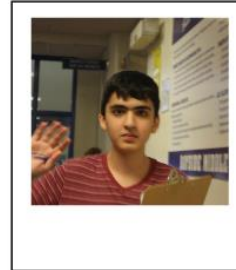

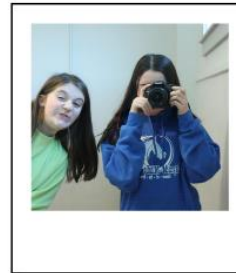

THIS IS YOUR STORY, AND EVERYONE IS IN IT

We hope that you enjoy this yearbook as much as we did making it. Thank you to everyone who contributed to yearbook. We couldn't have done it without you. Please keep it safe and when you look at it in years to come we hope that you will laugh and smile at your memories of your time at school.

- the Yearbook Team.

**THANK YOU**

Special thanks to everyone who helped out taking photos and editing and organizing the pictures.

**STUDENT LEADERSHIP AWARD**

ABIGAIL MITCHELL

**LEADERSHIP AWARD**

If you want something done this young lady will not only get it accomplished but she will no doubt exceed your expectations. Reliable, responsible, respectful, cooperative, and engaging are a few of the words that come to mind that aptly describe this student. She strives for excellence in her classes but it's more than that; she goes beyond by volunteering and excelling in the greater Bayside community. Abbie embodies our S.T.O.M.P. principles and has provided the very "best" example of what a Bayside student can be. She has the admiration of her peers and can seldom be found without a smile on her face. Leadership is difficult to find and quite easy to recognize when it's accompanied with this level of involvement, there is no question that Abbie will continue to exceed expectations and serve as a role model to others as she ventures off to high school in the fall. Bayside wishes you continued success. Congratulations Abbie, well deserved!

**STOMP** TIME: **05**

The STOMP/ PBIS program has been running for five consecutive years at Bayside Middle School.

**PBIS COMMITTEE**

Our PBIS committee are the team responsible for organizing all of the STOMP events at Bayside. Their members include chairman Mr. McCarthy, Mme. Legere, Mrs. Logue, Mme. Creamer, Mr. Long and the ESST Team.

TAYLOR SMITH

**STUDENT OF THE YEAR AWARD**

If you ask just about any teacher to list some qualities they would like to see in all students, they would likely mention things like eagerness to learn, engagement in the classroom, politeness, respect for everyone in the learning environment (adults and students alike), a solid work ethic, and perhaps above all else, conscientiousness. Wanting to be sure that you're doing things the right way and that your work is the best it can possibly be. They would also mention a strong desire to be involved in school activities, to take a leadership role to make your school a better place and to help others achieve their goals. All of these qualities come to mind when discussing our two students selected as Student of the Year at Bayside. Mustafa Rahimi and Taylor Smith embody all of these qualities and values. They come to every class ready to listen to instruction, engage in discussions and activities, and put forth their best effort on a consistent basis. They serve as shining role models to their peers of what it is to be excellent students and reliable leaders, but more importantly, genuinely good people and citizens. Through their engagement in and commitment to school sports, clubs, P.E. Leadership and peer-tutoring, they have realized their great potential as members of our school community and carried on the Bayside tradition of quality and leadership. And while it's too bad they didn't get to finish out their senior years due to the current global situation, the time they had here during their grade 8 year was well spent making valuable contributions to our school at large. It was too hard to choose just one so we are proud to announce Taylor and Mustafa as Co-Students of the Year for 2019-2020. You two have very bright futures and will make us all very proud. Congratulations Mustafa and Taylor!

TAYLOR SMITH

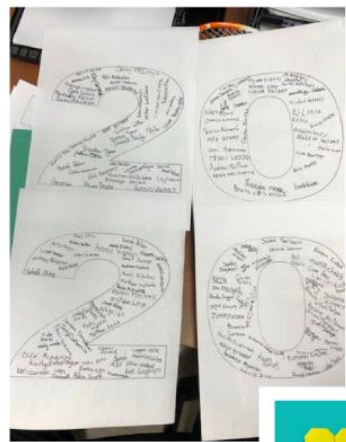

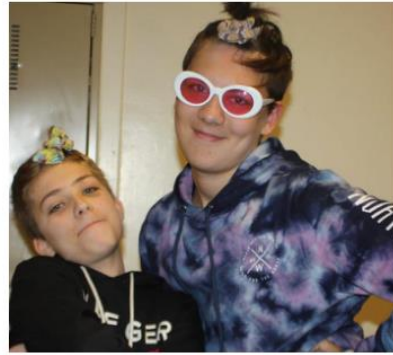

JESSE WIGGINS

BRANDON LING

**JOHN CHURCHILL AWARD**

"This year's winner of the John Churchill award are Jesse Wiggins and Brandon Ling. I could not think of two more deserving recipients. These are two of the nicest, most helpful, and funniest young men I have ever met. Their unique sense of humour and interesting take on school life certainly brightened up the classroom day in day out... not to mention all the amazing puns they regaled me with, whether I wanted them to or not! Thanks boys!"

**Bye Bye Broncos,** As the clock ticks down and your middle school days come to a close take pride and a moment to revel in the fact that you've made it.....you have reached an important checkpoint in your school experience! Quite honestly, the time you have spent at Bayside has been different for each of you. Some took very direct routes and arrived quickly to your destination; some took detours or rest stops along the way but got there; some have had difficulty getting their engine started or air in the tires some days; some may have gotten lost on the track to eventually come scrambling back on.....Regardless, you're here! In the fall, new obstacles and challenges will come as a Saint, Seabee or Greyhound and your path will continue but know that you've grown during your time at Bayside, whether you realize it or not. This growth coupled with your individual strengths and talents will help you to continue to push forward in your school endeavors and towards arriving at your next checkpoint. Best wishes to our grade eight class; and, more importantly, keep in the race, keep overcoming and keep pushing forward.

- Mr. Cosman on behalf of BMS
