

Bayside Middle School

- Welcome to Bayside! There are a few things you must know about being a Bronco. For example, have you heard of S.T.O.M.P.? At Bayside, it stands for:
 - ⇒ **SUCCESS**
 - ⇒ **TEAM PLAYER**
 - ⇒ **OWN IT**
 - ⇒ **MOTIVATED**
 - ⇒ **PREPARED**
- Bayside students are expected to follow S.T.O.M.P. principles. Doing so will set you up for a successful year in middle school!
- Students are regularly recognized for meeting S.T.O.M.P. expectations and successful students get to participate in reward assemblies throughout the school year.

At Bayside Middle School we...

Morning

- In the morning, all our students report to the auditorium for supervision then report to their assigned homeroom zone.

Breaks

- You have one ten minute break in the morning to enjoy a snack, get prepared for classes and use the washroom. There is a one minute warning bell to remind you it is time to get to your next class.

Sports

- There are a variety of sports to try out for at Bayside. Some of them include volleyball, badminton, soccer, track and field, basketball and cheerleading. All students are encouraged to try a new sport!

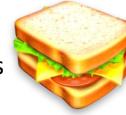

Music and Fine Arts

- Bayside offers many opportunities for students to explore fine arts. Our students can participate in, Drama or Art Club, Senior or Beginner Band and Choir! Broncos participate in the Music Festival, talent shows and school assemblies to showcase their work throughout the school year.

Lunch

- At Bayside we have a staggered lunch. That means half the school eats their lunch, while the other half is outside, then we switch.
- During your time to eat, some students eat in the cafeteria or lunch rooms and others eat in their classroom.
- The other part of lunch is time for fun! You can participate in a club or intramurals, read or work in the library, or head outside to your designated zone.

Special Events

- Some special events at Bayside are the talent shows, "STOMP" Assemblies, the Broncos Give Back Challenges and Enrichment Day.
- Students are allowed to attend Bayside "STOMP" assemblies and earn rewards when they have followed the "STOMP" principles.
- Enrichment Day happens before March Break for the Bayside students. It includes field trips, Minute to Win it games, Bingo and classroom challenges.

Student Jobs

- Students can apply for student jobs if they would like to help out around the school. Student jobs include paper recycling, movers, tech crew and Snack Bin helpers.

Celebrate

- Several times a year, Bayside hosts a school dance. These are a great chance for Broncos to socialize, hang out with friends and have fun.
- Every year, Bayside raises money or organizes drives for local charities. Our Broncos Give Back Program allows our students to contribute to their community in meaningful ways.

Specialty Classes

- There are three specialty classes that happen for thirteen weeks each. They are Music, Art and Tech.
