

“More than just your school, we are an important part of the community”

One of the things residents and local business owners of Saint John are known for is their strong sense of community. When it comes to our children and providing support where it matters, we know we can count on them!

We are proposing to acknowledge our major sponsors with a permanent Wall of Fame!

Platinum \$25,000

Gold \$15,000

Silver \$10,000

Bronze \$5,000

Friend of the Theatre \$1,000

The mission of Bayside Middle School is to provide a safe learning environment, a challenging curriculum and the development of overall student well

Community Capital Project

Bayside Middle School

Auditorium Restoration

We need your support!

Our auditorium needs a Facelift!

It's not just financial! There are many ways we can use your support. This Community Capital Project is a huge undertaking but one we feel will benefit so many in our community. We are currently seeking volunteers to assist with our efforts. We will be looking for fundraising ideas and talents you may have in order to help us with events, even if it is just a couple hours of your time and energy!

At various times over the next year we will be calling on our supporters to help us with our project. With some hard work and cooperation, we can make this something we can all be proud of!

Please contact

Wendi MacVicar (506) 647-6115

patrick.laskey@nbed.nb.ca

We have a plan.....

- We will be asking for your ideas for fundraisers over the next year.
- We will be asking our Alumni for their support with this project
- We will be calling on local businesses and groups for support.
- We will be offering the ability to sponsor a chair for \$100 - fixed with a name plate acknowledging the sponsor.
- Official tax receipts will be issued for donations over \$50

Our history....

Bayside Middle School, the former Simonds Regional High School, was built in 1949. The school has undergone many upgrades we are proud of, most recently, a state of the art cafeteria, gymnasium and sprinkler system. Since the completion of these upgrades, our school has become the talk of the community with many groups making great use of our gymnasium for various sporting and community events. The demand for use of our facilities has provided good revenue for our school.

Still more to do.....

Our auditorium has been neglected over the years with the original seating from 1949. Lacking comfort, to say the least, the wooden chairs are in disrepair and are in great need of upgrading. Our vision for a new auditorium will have new comfortable seating, wheelchair accessible entrance and washrooms as well as a much needed paint job! Being the only community theatre style auditorium east of the Causeway with ample seating and parking, we feel this upgrade will enable us to host more municipal, provincial & public events, generating much needed revenue for our school.

We need your support!

Our initial estimates places the total cost of our planned restoration in the vicinity of \$350,000. We know this is an aggressive undertaking and one that will take a lot of hard work and planning. We know we can accomplish our goal with your help. Our vision is one we feel will benefit our students, school and the community as a whole!
