Energy –Hare-y→ Gives people too much energy so the person is constantly fidgeting and moving around and doesn't think about what the people around need or how others feel around them.

Some ways Superflex suggests taking on **Energy-Hare-y**:

→Use whole body listening to keep your whole body quiet while others are talking.

→Check in with your eyes to see how the rest of the group are acting. Try to match how calm they are with their bodies.

→ Take a few deep breaths to calm your body

Look out for **Wasfunnyonce** in June!

SCENT FREE POLICY - A friendly reminder that Bayview School is a Scent Free building. Sometimes we forget that we have fellow classmates and staff who are very sensitive to scents and the product ingredients. Please do your part to ensure our school environment is safe for all. Thank you!

ATTENDANCE MATTERS – Please have your child at school on time each day as this is vital to the success of their day. Instruction begins at 8:20am, so please have your child here at school before this time to ensure they start their day off positive. Those students who have good attendance at school, have their names put in a draw at the end of the month to win a Family Bowling Night at the Bowlarama!

DROP OFF/PARKING LOT – It has been an ongoing concern that students are not being dropped off in the proper safe areas. Student drop off is on the left hand side of the building. Cars are **not** permitted in our bus loading/drop off zone in front of the school. This is for the safety of our students and we ask that you follow the school and district policy when dropping off and picking up your child.

SCHOOL VISITORS - All visitors, parents and District Staff coming into Bayview School must report to the main office to get a visitors pass, as per Anglophone South School District Policy.

HOT LUNCH – Reminder to hand in hot lunch money on the Monday of each week. Please write clearly on the order forms, indicate whether your child gets white or chocolate milk, and give exact amount as we do not give back change. Orders are counted and money is collected first thing in the morning so orders can be placed ASAP.
