Dolphin Highlights

We want to thank all of those who contributed to our Bake Sale on September 21st. We raised close to \$300 for our school and could not have done so without your support! If you have not received your container please let your child's teacher know as those that were labelled have all been returned.

A special thanks also goes out to all the parents who have been taking their children to the cross country meets this fall. We could not be more proud of our Bayview Students for their participation and valiant effort in these running competitions. Great job to everyone! Remember that the big Cross Country meet is Wednesday October 5th at Wolastoq Park at 3:45pm.

We had our annual bus safety training on Friday, September 30th. We had some buses and their drivers here to go over bus safety rules with our students. Ask your child about what they learned as it would be great to review the rules often to ensure the safety of all the students in our school community!
