JUNE 2012

IMMUNIZATION FOR 2012 KINDERGARTEN STUDENTS

Proof of immunizations including the Preschool booster due at 4 years of age is required for children entering school in New Brunswick. If the preschool booster was not included on the immunization record copied at kindergarten registration, please submit an updated copy of the immunization record as soon as possible. Public Health nurses will be checking records in the next few weeks. If you have any questions, please call your local public health office.

VISITORS TO THE SCHOOL - All visitors must report to the office to sign in and get a visitors pass.

EVENTS in JUNE – This time of year can be very difficult for students as the nice weather appears and the summer approaches. Students are reminded that field trips, fun day and other such events are privileges. Students who consistently display inappropriate behaviors will risk losing these privileges. Teachers are monitoring behaviors and students are asked to always be respectful and follow the rules as per District Policies and Bayview School.

APPROPRIATE CLOTHING – As the weather warms, please remember to dress your child in appropriate school attire. This means: shorts, skirts and dresses should come to mid-thigh. Shirts must cover the stomach and tank tops and sundresses should not have spaghetti straps. Thank you for your help with ensuring our children are dressed appropriately.

SOAPBOX DERBY – We would like to congratulate our driver Ben Spellman on a fantastic run at the NB Soapbox Derby this year. He came in second place – losing by a very small margin of 0.21 seconds! We would like to thank him and his pit crew, Laurissa Thomas, Jadyn Hansen and Isaiah Smith for their hard work and dedication to this day. Everyone was especially proud of the level of sportsmanship throughout the entire day. Well done everyone!!! We will get them next year!
