

Stand Up!

I sit at home, all alone with nobody to play with. The kids at school turned everyone against me. I sit and pout all day long, wondering how life would be with friends. How it would be with no bullies.

Then I think, if I can stand up to these bullies all on my own, I'll make friends, not enemies. I'll have my family by me to support me. I won't let the mean kids at school cost me a good time at school.

I am a kid against bullying. Stand up!

Bullying

Bullying bullying
Is very bad
Bullying Bullying
Makes me sad.

When I wake up
I think about "him"
Because the bully
Might break my limb.

The bully, the bully
Yells at me
And when he does
I don't feel free.

So grab my hand
As we stand
To stop bullying!

Bullies
Bullies!

Bullies,
bullies get
out of my
way

Bullies,
bullies
know how
to start a
fight.

Bullies,
bullies are
harder
than ice.

Bullies,
bullies
can't act so
nice.

Bullies,
bullies stay
away
We can
make a
difference
in our
school
today!

Bullying

Bullying is mean.
Bullying is bad.
Bullies are
everywhere.
It doesn't matter
if it is a boy or a
girl.

If you get bullied
more than once,
then tell an
adult wherever
you're at.

Bullying is still
mean.

Bullying is still
bad.

Bullying is still
everywhere.

Make sure you
stick up for
yourself and
your friends too.

Friends, Friends

Friends, friends
Friends are nice to
you.
Friends play with you.
Friends make you
happy.
Friends stick up for
you.
Friends help you when
you are sick or hurt.
Friends, friends,
friends

Come Play With Me

Roses are red
Violets are blue
C'mon, we'll play,
Jump and swing on
swings.
We can hop like a
bunny.
If you play with me
we'll have fun!
